

LIVE PILOT FINISH CHAMBER REAMER - MANSON PRECISION 300 PRC REMOVABLE PILOT FINISHER

[Gunsmith Tools](#) > [Barrel Tools](#) > [Reamers](#) > [Centerfire Reamers](#)

Cuts A Smooth, Precise Chamber With Less Chance Of Rifling Damage

Removable (live) pilot greatly reduces the risk of scratching the lands when cutting the chamber to final dimensions, so you get the best possible chambering job for maximum accuracy. Snug-fitting pilot helps provide extra-stable "live center" alignment to maintain proper chamber-to-bore alignment. Precision ground from high speed M7 tool steel for smooth, clean cutting and maximum service life. Includes one pilot for caliber listed.

LIVE PILOT FINISH CHAMBER REAMER MANSON PRECISION 300 PRC REMOVABLE PILOT FINISHER Safety Instruction Guide

Introduction

Thank you for choosing the LIVE PILOT FINISH CHAMBER REAMER by MANSON PRECISION. This product is designed for precision chambering with enhanced safety features. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage before use.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the reamer.
- Follow all local and national regulations related to tool usage and safety.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Sharp cutting edges can cause cuts or lacerations.
 - Improper use may lead to misalignment, resulting in damage to the firearm or injury.
- **Avoiding Hazards:**
 - Always handle the reamer with care; do not touch the cutting edges.
 - Ensure the workpiece is securely clamped before using the reamer.
 - Never attempt to modify or alter the reamer in any way.
 - Do not use the reamer if it is damaged or shows signs of wear.
- **Age and Audience Specific Warnings:**
 - This product is intended for use by adults or under the supervision of an adult.
 - Ensure that inexperienced users are trained on the correct usage of the tool.

Instructions for Installation and Usage

- **Installation:**
 1. Verify that the reamer is compatible with the caliber you intend to use.
 2. Attach the reamer to a suitable power tool with a 3/8" square drive shank.
 3. Ensure the connection is secure before proceeding.
- **Usage:**
 1. Set up your workspace in a wellventilated area, free from distractions.
 2. Wear safety glasses and gloves.
 3. Secure the firearm or workpiece in a stable position.
 4. Align the reamer with the chamber opening, ensuring proper chambertobore alignment.
 5. Start the power tool at a low speed, gradually increasing as necessary.
 6. Maintain a steady pressure and avoid forcing the tool.
 7. Periodically check the cutting progress and reamer condition.
 8. Once finished, turn off the tool and carefully remove the reamer.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the reamer in regular household waste due to its sharp edges.
- Consider recycling options for materials where possible.

Contact Information for Further Support

For any inquiries or safety concerns regarding the LIVE PILOT FINISH CHAMBER REAMER, please consult the manufacturer's official website or contact your local distributor for assistance.

By following these guidelines, you can ensure safe and effective use of the LIVE PILOT FINISH CHAMBER REAMER. Thank you for prioritizing safety!
