

GAS CONTROLS ADJUSTABLE GAS BLOCK - RIFLESPEED GAS CONTROL 5.8" MODEL RS6258 0.625" DIAMETER

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

The revolutionary RIFLESPEED™ Gas Control System (US Patent #US20200116446A1, additional patents issued and pending) makes controlling your rifle's gas flow reliable, repeatable, and foolproof. Need more gas? Turn it up. Need less gas? Turn it down. With the easy-to-grasp Control Knob, it's that simple and no tools are required. The highly visible numbering on the Control Knob ensures that you'll always know your setting. Return to a previous setting instantly by simply turning the Control Knob. Each setting is indicated by a highly tactile "click" for use during times of reduced visibility. Two separate rotation ranges with numbered settings 1-12 and multiple Plunger sizes cover the adjustment requirements for every available cartridge. The patented Rotation Stop feature prevents unintentional disassembly. Uses RIFLESPEED straight gas tubes Designed for the most rigorous Military or LE Duty Use, RIFLESPEED Gas Controls are also ideal for defensive use, competition, recreational shooting, or hunting. RIFLESPEED Gas Controls are durable and proven to perform through tens of thousands of rounds of ammunition spent in developmental and destructive testing. Gas Controls from RIFLESPEED are the ultimate solution to the problems of operating hard-use carbines in varying conditions, configurations, and environments. With complete control of the gas that's delivered to the action of your rifle with each shot you'll enjoy increased reliability, reduced recoil, reduced muzzle rise, less aiming disruption, less wear and tear on your rifle, and improved accuracy. Set your RIFLESPEED Gas Control for ideal performance with light commercial ammo or higher-pressure milspec ammo. Dial your gas system in for ideal performance in extreme heat or frigid cold conditions. Enjoy optimal performance with or without a suppressor. With a properly adjusted gas system you can eliminate the need to use exceedingly heavy buffers. Once you experience the advantages of using a RIFLESPEED Gas Control, you'll never want to shoot anything else.

Attributes

- Name: [RIFLESPEED GAS CONTROL 5.8" MODEL RS6258 0.625" DIAMETER](#)
- Manufacturer: [RIFLESPEED](#)
- Product no.: 430102507
- Mfr. No.: US0126
- Inside Diameter: .625
- Material: Steel
- Style: Screw
- Weapon type: AR-15
- Delivery weight: 0.227kg
- Shipping height: 43mm
- Shipping width: 89mm
- Shipping length: 178mm

Safety Instruction Guide for RIFLESPEED Adjustable Gas Block

Introduction

Thank you for choosing the RIFLESPEED Adjustable Gas Block. This product is designed to enhance the performance of your rifle while ensuring safety during use. This guide provides essential safety instructions, general safety guidelines, specific precautions, installation and usage instructions, and disposal instructions. Please read this guide thoroughly to ensure safe and effective use of your gas control system.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the RIFLESPEED Adjustable Gas Block by following all guidelines in this manual.
- **Enhanced Recalls:** Stay informed about any potential recalls related to the product. Register your product for updates.
- **Online Shopping Safety:** If purchased online, ensure that the retailer complies with EU safety requirements.
- **Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand this safety instruction guide before using the product.
- **Check for Damage:** Inspect the gas block and all components for any signs of damage before installation.
- **Use Appropriate Ammunition:** Ensure that you are using compatible cartridges as specified for the gas block.
- **Wear Safety Gear:** Always wear appropriate safety gear, including eye protection and hearing protection, when using firearms.
- **Follow Firearm Safety Rules:** Adhere to all firearm safety rules, including keeping the firearm pointed in a safe direction and keeping your finger off the trigger until ready to shoot.
- **Avoid Modifications:** Do not modify the gas block or any components. Unauthorized modifications may compromise safety and performance.
- **Regular Maintenance:** Regularly clean and maintain your gas block to ensure optimal performance and safety.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a wrench and any other required tools.
2. **Ensure Safety:** Make sure the firearm is unloaded and pointed in a safe direction during installation.
3. **Remove Existing Gas Block:** If replacing an existing gas block, carefully remove it according to the manufacturer's instructions.
4. **Install RIFLESPEED Gas Block:**
 - Align the gas block with the gas tube and the barrel.
 - Securely fasten the gas block using the appropriate tools.
5. **Adjust Gas Control:**
 - Use the Control Knob to set the desired gas flow. Turn clockwise for more gas and

- counterclockwise for less gas.
- Ensure that the setting is clearly visible and that the Control Knob is securely in place.

Usage

1. Before Shooting:

- Check the gas block settings and ensure they are adjusted for the type of ammunition being used.
- Confirm that all components are secure and undamaged.

2. During Shooting:

- Monitor the rifle's performance. Adjust the gas control as needed based on the performance observed.
- Be aware of any unusual sounds or behaviors from the firearm. If something seems off, stop using the firearm immediately and inspect it.

3. After Shooting:

- Clean the gas block and associated components to maintain performance and safety.
- Store the firearm and gas block in a safe and secure manner when not in use.

Disposal Instructions

- **Disposal of Components:** Dispose of any damaged or worn components in accordance with local regulations. Do not discard in regular waste.
- **Recycling:** If possible, recycle metal parts through a local recycling program.
- **Environmental Considerations:** Always consider the environmental impact of disposing of firearm components. Follow local laws regarding hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the RIFLESPEED Adjustable Gas Block, please refer to the contact details provided by your retailer or manufacturer. Ensure that you have the product information handy for a more efficient response.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your RIFLESPEED Adjustable Gas Block. Thank you for your attention to safety and responsible firearm use.
