

# M5 (.308) ATLAS S-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR 308 - AERO PRECISION M5 (.308) ATLAS S-ONE 15" HANDGUARD M-LOK FOR AR-308 ODG

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 12.7" - 7.66 oz / 15" - 8.71 oz Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. Mounting Hardware Weight: 4.72 oz (same across all S-ONE Handguard options) FEATURES: Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers SPECS Made In America? Yes Platform M5 Series ATLAS Attachment Type M-LOK Material Machined from 6061-T6 aluminum M-LOK Handguard Weights: 12.7" - 7.66 oz / 15" - 8.71 oz Other Mounting Hardware Weight: 4.72 oz ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. PLEASE NOTE: These handguards do not come with a wrench. A standard armorers wrench will work with all M5 ATLAS Handguards.

# Safety Instruction Guide for M5 (.308) ATLAS SONE MLOK Free Floating Handguards

## Introduction

Thank you for choosing the M5 (.308) ATLAS SONE MLOK Free Floating Handguards for your AR 308 Aero Precision M5 (.308) build. This guide provides essential safety instructions to ensure the safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure that the handguard is used only for its intended purpose. Follow all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about potential recalls and safety notices regarding this product. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, confirm that the seller complies with safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children and ensure that it is used by individuals who understand its operation.
- **EU Contact Point:** For any safety inquiries, you may need to reach out to an EU-based contact.
- **Rapid Alerts:** Be aware that updates on any unsafe products will be communicated swiftly through the Safety Gate system.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the handguard is compatible with your specific AR 308 model. It is not compatible with M5E1 Enhanced Upper Receivers.
- **Installation:** Use a standard armorer's wrench for installation. Do not attempt to install the handguard without the proper tools.
- **Weight Considerations:** Be aware of the weight specifications (12.7" 7.66 oz / 15" 8.71 oz) when planning your build to maintain optimal performance and safety.
- **Handling:** Always handle the handguard with care. Avoid dropping or exposing it to extreme conditions that could compromise its integrity.
- **Inspection:** Regularly inspect the handguard for any signs of wear or damage. Replace any damaged components immediately to ensure safety during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a standard armorer's wrench.
- Ensure that your workspace is clean and free of debris.

### 2. Installation Steps:

- Remove the existing handguard from your AR 308 receiver, if applicable.
- Align the ATLAS Handguard with the receiver, ensuring that it fits securely.
- Use the provided mounting hardware to attach the handguard to the receiver.
- Tighten the mounting hardware using the armorer's wrench, ensuring that it is secure but not overly tightened to avoid distortion.

### 3. PostInstallation Check:

- Verify that the handguard is securely mounted and that there is no movement.
- Ensure that all components are functioning correctly before using the firearm.

#### **4. Usage:**

- Use the handguard only for its intended purpose. Do not modify or alter the handguard in any way.
- Always follow firearm safety protocols while using your AR 308.

## **Disposal Instructions**

- When the handguard reaches the end of its life cycle or if it becomes damaged beyond repair, dispose of it responsibly.
- Check local regulations regarding the disposal of aluminum products.
- Recycle the handguard if possible, as aluminum is a recyclable material.

## **Contact Information for Further Support**

For any questions or concerns regarding the use and safety of the M5 (.308) ATLAS SONE MLOK Free Floating Handguards, please refer to the contact information provided by the retailer or manufacturer where the product was purchased.

By following these safety instructions, you can ensure a safe and enjoyable experience with your M5 (.308) ATLAS SONE MLOK Free Floating Handguards. Thank you for your attention to safety!
