

# **M5 (.308) ATLAS S-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR 308 - AERO PRECISION M5 (.308) ATLAS S-ONE 12.7" HANDGUARD M-LOK FOR AR-308 FDE**

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. **LIGHTWEIGHT BY DESIGN M-LOK**

**Handguard Weights:** 12.7" - 7.66 oz / 15" - 8.71 oz Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. **Mounting Hardware Weight:** 4.72 oz (same across all S-ONE Handguard options) **FEATURES:** Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers **SPECS** Made In America? Yes Platform M5 Series ATLAS Attachment Type M-LOK Material Machined from 6061-T6 aluminum M-LOK Handguard **Weights:** 12.7" - 7.66 oz / 15" - 8.71 oz **Other Mounting Hardware Weight:** 4.72 oz ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. **PLEASE NOTE:** These handguards do not come with a wrench. A standard armorer's wrench will work with all M5 ATLAS Handguards.

# Safety Instruction Guide for M5 (.308) ATLAS SONE MLOK Free Floating Handguards

## Introduction

Thank you for choosing the M5 (.308) ATLAS SONE MLOK Free Floating Handguard for your AR 308 Aero Precision. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Product Safety: This handguard is designed for safe use with nonfood products and complies with the EU General Product Safety Regulation (GPSR).
- Enhanced Recalls: In the event of a product recall, you will be notified through standardized recall notices. Free remedies will be provided for any dangerous products.
- Online Shopping: This product meets the same safety standards as those sold in physical stores. Ensure that your online platform complies with safety requirements.
- Special Consumer Focus: Extra precautions are in place for vulnerable groups, including children. Keep this product out of reach of children.
- EU Contact Point: For any safety inquiries, refer to your local EU-based contact.
- Rapid Alerts: Stay informed about unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- Always inspect the handguard for any signs of damage or wear before installation.
- Ensure that all mounting hardware is included and in good condition.
- Use only compatible components with the M5 ATLAS Handguard to avoid instability.
- Avoid using excessive force during installation, which may lead to distortion or damage.
- Do not modify the handguard or its components in any way.
- Always wear appropriate safety gear, including eye protection, while handling or installing the handguard.
- Keep the handguard and all associated parts out of reach of children and pets.

## Instructions for Installation and Usage

### Installation Steps

1. **Gather Tools:** Ensure you have a standard armorer's wrench and any other necessary tools for installation.
2. **Prepare the Firearm:** Ensure that the firearm is unloaded and safe to work on.
3. **Remove Existing Handguard:** Carefully remove the existing handguard from the firearm, following the manufacturer's instructions.
4. **Install Barrel Nut:** Attach the custom-engineered barrel nut using the ATLAS attachment system. Ensure that it is securely fastened.
5. **Attach Handguard:** Slide the ATLAS SONE Handguard onto the barrel nut. Align it properly with the indexing grooves.
6. **Secure the Handguard:** Use the mirrored tapered locking nuts to secure the handguard in place. Tighten evenly using the turnbuckle screw.
7. **Check Stability:** Ensure that the handguard is stable and securely attached before proceeding to use the firearm.

### Usage Guidelines

- Ensure that the firearm is always pointed in a safe direction when in use.
- Regularly check the handguard for signs of wear or loosening during use.

- Clean the handguard according to the manufacturer's recommendations to maintain its integrity and performance.

## **Disposal Instructions**

- Dispose of the handguard and any associated components in accordance with local regulations.
- Do not dispose of the handguard in regular household waste.
- Check with local authorities for proper disposal methods for metal and plastic materials.

## **Contact Information for Further Support**

For any further inquiries or support regarding the M5 (.308) ATLAS SONE MLOK Free Floating Handguards, please refer to your local retailer or manufacturer's website for more information.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your M5 (.308) ATLAS SONE Handguard. Thank you for your attention to safety.
