

# AR 308 M5 ATLAS R-ONE HANDGUARDS M-LOK - AERO PRECISION M5 (.308) ATLAS R-ONE 15" HANDGUARD M-LOK FOR AR-308 ODG

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 12.7" - 8.79 oz / 15" - 10.6 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) FEATURES: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with AR308 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. PLEASE NOTE: These handguards do not come with a wrench. A standard armorers wrench will work with all M5 ATLAS Handguards.

# Safety Instruction Guide for AR 308 M5 ATLAS RONE Handguards

## Introduction

Thank you for choosing the AR 308 M5 ATLAS RONE Handguard. This guide provides essential safety instructions to ensure the proper use and installation of your handguard. It is designed to comply with the EU General Product Safety Regulation (GPSR) to protect consumers and enhance product safety.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before use.
- Inspect the handguard and all mounting hardware for any signs of damage or wear before installation.
- Always follow the manufacturer's instructions for installation and use.
- Keep the handguard out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product defects to the appropriate authorities.
- Regularly check for any recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only the recommended tools for installation, including a standard armorer's wrench.
- Ensure that all mounting hardware is securely tightened before use.
- Avoid overtightening the handguard, as this may cause damage or affect performance.
- Do not modify or alter the handguard or its components in any way.
- Always wear appropriate safety gear, including eye protection, when handling firearms and accessories.
- Be aware of your surroundings and ensure a safe shooting environment when using your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a standard armorer's wrench and any additional tools required for your specific firearm.
- Ensure that your firearm is unloaded and in a safe condition before starting the installation.

### 2. Installation:

- Remove the existing handguard from your AR308 upper receiver, if applicable.
- Align the ATLAS RONE handguard with the barrel nut and slide it into place.
- Secure the handguard using the provided mounting hardware, ensuring that the tapered locking nuts are evenly distributed.
- Use the turnbuckle screw to apply clamping pressure, ensuring a snug fit without overtightening.
- Check that the ratcheting detent is engaged to secure the design during installation.

### 3. Usage:

- Once installed, test the stability of the handguard by applying slight pressure to ensure it is securely mounted.
- Attach any accessories to the Picatinny rail as needed, ensuring they are compatible with the handguard.
- Regularly inspect the handguard and mounting hardware for signs of wear or damage during use.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- When the handguard reaches the end of its life, dispose of it in accordance with local waste management regulations.
- Do not dispose of the handguard in fire, as it may release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR 308 M5 ATLAS RONE Handguard, please refer to the manufacturer's contact information provided in the product packaging or on their official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR 308 M5 ATLAS RONE Handguard. Thank you for your attention to safety and compliance.
