# Safety Instruction Guide for AK Alpha Series Railed Top Cover

## Introduction

Thank you for choosing the AK Alpha Series Railed Top Cover by Midwest Industries. This product is designed specifically for use with MI Alpha Series handguards and is not compatible with other Midwest Industries generations or products from other manufacturers. This guide provides essential safety information and instructions to ensure safe and effective use of your new top cover.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the AK Alpha Series Railed Top Cover by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about product recalls. If notified of a recall, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** If purchased online, verify that the retailer meets all safety requirements.
- **Special Consumer Focus:** This product is intended for adult users. Keep it out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the top cover is used exclusively with MI Alpha Series handguards. Using it with incompatible products may result in malfunction or injury.
- **Installation:** Follow all installation instructions carefully to prevent improper fitting, which could lead to accidents.
- **Inspection:** Regularly inspect the top cover for any signs of wear or damage. Do not use if damaged.
- **Cleaning:** Keep the top cover clean and free from dust and debris to ensure proper functionality. Use appropriate cleaning materials.
- **Handling:** Always handle the firearm with care and follow standard firearm safety practices, including keeping the firearm pointed in a safe direction and keeping your finger off the trigger until ready to shoot.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing top cover from the firearm.
- Align the AK Alpha Series Railed Top Cover with the handguard.
- Secure the adjustable locking block to fit the cover onto the firearm, ensuring a snug fit.
- Verify that the recoil spring button is properly engaged with the top cover.
- Check that the installation allows for the maintenance of the factory rear sight with a lower 1/3 cowitness sight picture.

### 2. Usage Instructions:

- After installation, confirm that the top cover is securely in place before using the firearm.
- Always perform a function check of the firearm after installation to ensure proper operation.
- If any issues arise during use, stop using the firearm immediately and inspect the installation.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- When disposing of the product, follow local laws regarding firearm components and materials.
- If the product is damaged beyond use, ensure it is disposed of in a way that prevents accidental use.

## Contact Information for Further Support

For any questions or concerns regarding the AK Alpha Series Railed Top Cover, please refer to the contact information provided by your retailer or manufacturer. They can assist you with any safety inquiries or product support you may need.

Thank you for prioritizing safety and compliance while using the AK Alpha Series Railed Top Cover. Your adherence to these guidelines will help ensure a safe and enjoyable experience with your firearm.
