AK Light and Laser Mount Safety Instruction Guide

Introduction

Thank you for choosing the AK Light and Laser Mount by Midwest Industries. This product is designed to enhance the functionality of your firearm by providing a reliable mounting solution for lights and lasers. Please read this safety instruction guide carefully to ensure safe use and compliance with all relevant safety regulations.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always treat firearms with respect and handle them safely.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Store the firearm and accessories in a secure location when not in use.

Specific Safety Precautions for Use

- Do not exceed the recommended barrel diameter range of .580 .700 when installing the mount.
- Ensure that the light or laser device is securely attached to the mount before use.
- Avoid using the firearm in wet or slippery conditions to prevent loss of control.
- Do not attempt to modify the mount or the firearm in any way that is not specified by the manufacturer.
- Be aware of your surroundings and ensure a safe environment when using the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the barrel area where the mount will be installed.
- Position the mount on the barrel, ensuring it fits securely within the diameter range.
- Use the provided hardware to secure the mount in place without overtightening.
- Confirm that the mount is stable and does not move when pressure is applied.

2. Usage:

- Attach your light or laser device to the 1913 Milspec rail on either side of the mount.
- Adjust the position of the device according to your preference (forward or rear offset).
- Before using the firearm, ensure that the light or laser is functioning correctly.
- Always perform a function check of the firearm and accessories before each use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and aluminum materials.
- Do not dispose of the product in household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AK Light and Laser Mount, please refer to the manufacturer's

website or customer support for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your AK Light and Laser Mount. Always prioritize safety and responsible firearm use. Thank you for your attention to these important guidelines.
