

AR-15 MK14 SUPER MODULAR RAIL HANDGUARD - GEISSELE AUTOMATICS MK14 10.5" SUPER MODULAR RAIL M-LOK COMPATIBLE BLK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Narrow Profile for a Comfortable Hold - Plenty of Accessory Mounting Possibilities

The Geissele MK14 Super Modular Rail tactical AR-15 handguard has a slim cross-section that makes it ideal for shooters who use rail covers and/or a vertical grip - and who also employ the thumb-over-the-bore support hand grasp. Similar to their MK13 SMR, the Geissele MK14 delivers acres of real estate for mounting accessories, with M-LOK slots running the handguard's full length at the 3, 6, and 9 o'clock positions. The MK14 Super Modular Rail also sports an uninterrupted Picatinny rail running the full length of the top. Geissele even thoughtfully includes sockets for QD pushbutton sling swivels at the 11 and 1 o'clock positions at the rear. Strong & lightweight machined 6061 T6 aluminum Barrel Nut Wrench no longer included with the handguards. Type III hardcoat anodized Available in basic Black or Geissele's Desert Dirt Color (DDC) Proprietary free-float barrel nut included Geissele also engineered the MK14 Super Modular Rail handguard to free-float the barrel using their easy-to-install proprietary barrel nut. The nut is 2.25" long, so there's plenty of surface area for secure, rigid, straight anchoring of the handguard in place. Please note that a gas block is no longer included with these handguards.

Safety Instruction Guide for the AR15 MK14 Super Modular Rail Handguard

Introduction

Thank you for choosing the Geissele MK14 Super Modular Rail Handguard. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand the safety precautions, installation instructions, and proper handling of this product.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the handguard.
- Use only compatible accessories with the handguard to prevent accidents and ensure proper functionality.
- Regularly inspect the handguard for any signs of wear or damage before each use.
- Keep the handguard and all accessories out of reach of children and unauthorized users.
- If you experience any issues with the handguard, cease use immediately and consult a qualified gunsmith or contact the manufacturer for support.

Specific Safety Precautions for Use

- Ensure that the handguard is securely attached to the firearm before use.
- Avoid placing your hands in front of the muzzle when handling the firearm.
- Use protective eyewear when shooting to protect against potential debris or ricochets.
- Do not exceed the manufacturer's recommended weight limit for accessories mounted on the handguard.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and in a safe condition.
2. **Remove the Old Handguard:** If applicable, remove the existing handguard by following the manufacturer's instructions.
3. **Install the Barrel Nut:**
 - Attach the proprietary barrel nut included with your handguard.
 - Ensure it is securely fastened, as this provides the necessary support for the handguard.
4. **Attach the Handguard:**
 - Slide the MK14 handguard onto the barrel nut.
 - Align the handguard according to the manufacturer's specifications.
5. **Secure the Handguard:**
 - Use the provided screws to secure the handguard in place.
 - Ensure all screws are tightened to the recommended torque specifications.
6. **Final Check:**
 - Inspect the installation to ensure everything is properly secured and aligned.

Usage Instructions

- Always follow the basic rules of firearm safety when using your AR15 equipped with the MK14 handguard.
- Utilize the MLOK slots for mounting accessories as needed, ensuring they are securely fastened.
- Use the Picatinny rail for additional accessory mounting, ensuring compatibility with your accessories.
- Regularly check the tightness of mounted accessories during use to prevent loosening.

Disposal Instructions

- Dispose of the handguard and any packaging materials in accordance with local regulations for electronic and metal waste.
- Do not incinerate or dispose of the handguard in a manner that may cause environmental harm.

Contact Information for Further Support

For any safety inquiries or support related to the Geissele MK14 Super Modular Rail Handguard, please refer to the manufacturer's contact information provided with your product.

By following these guidelines, you will help ensure a safe and enjoyable experience with your Geissele MK14 Super Modular Rail Handguard. Thank you for prioritizing safety!
