[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## Not Your Average Handguard

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Actual Handguard Lengths: 7.3", 9.3", 10.3", 12.7", 15" -- Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. Available in M-LOK profiles with 7.3", 9.3", 10.3", 12.7" and 14.94 (Actual Length 15") options. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. **LIGHTWEIGHT BY DESIGN M-LOK**  
Handguard Weights: 7.3" - 4.86 oz / 9.3" - 5.47 oz / 10.3" - 6.0 oz / 12.7" - 7.00 oz / 15" - 7.95 oz Mounting Hardware Weight: 1.9 oz (same across all S-ONE Handguard options) FEATURES: Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M4E1 Enhanced Upper Receivers ATLAS Handguards are designed to match seamlessly with Aero's M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. Please note: The ATLAS Handguards are NOT compatible with Aero's M4E1 Enhanced Upper Receiver.

# Safety Instruction Guide for ATLAS SONE MLOK Free Floating Handguard for AR15

## Introduction

Thank you for choosing the ATLAS SONE MLOK Free Floating Handguard for your AR15. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your handguard. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is installed by a qualified gunsmith or an experienced individual familiar with firearm accessories.
- Always follow local laws and regulations related to firearm modifications and accessories.
- Regularly inspect the handguard for any signs of wear or damage. Do not use if damaged.
- Keep the product away from children and unauthorized users.
- Store the handguard in a safe and secure location when not in use.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to firearm malfunction or injury.
- Excessive heat from the barrel can affect the handguard's integrity.
- Ensure compatibility with your specific AR15 model to avoid installation issues.

### • Avoiding Hazards:

- Always ensure that the firearm is unloaded before installing or handling the handguard.
- Do not overtighten screws or mounting hardware, as this may cause damage.
- Avoid using the handguard in extreme temperatures or conditions that may affect its material integrity.
- Use only compatible accessories with the MLOK system to prevent accidents.

### • Age or Audience Specific Warnings:

- This product is intended for adult users. Keep out of reach of children.
- Ensure that all users have received proper training in firearm safety and handling.

## Instructions for Installation and Usage

### • Installation:

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing handguard if applicable.
3. Align the ATLAS SONE handguard with the receiver and ensure proper fit.
4. Use the provided mounting hardware to secure the handguard in place.
5. Tighten the screws evenly and securely, but do not overtighten.
6. Check for stability and ensure there is no movement in the handguard.

### • Usage:

- Always ensure the firearm is properly maintained and cleaned.
- Familiarize yourself with the handguard features, including the MLOK attachment points.
- Use the quick disconnect sling sockets as needed for your setup.
- Regularly check the handguard for signs of wear or loosening.

## **Disposal Instructions**

- Dispose of the handguard in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum materials where applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please reach out to your retailer or consult the manufacturer's website for additional resources. Always ensure you have the latest information on product recalls or safety notices.

By following these guidelines, you can ensure safe use and enjoyment of your ATLAS SONE MLOK Free Floating Handguard. Thank you for your attention to safety.
