# MLOK Rail Covers Safety Instruction Guide

## Introduction

Thank you for choosing the MLOK Rail Covers by B5 Systems. This guide provides essential safety information, installation instructions, and usage guidelines to ensure safe operation and maintenance of the product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the MLOK Rail Covers are compatible with your specific rail system.
- Use the product only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the rail covers for any signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Risk of Slippage:** Ensure that the rail covers are securely attached to the rail system to prevent slippage during use.
- **Heat Resistance:** Be aware that the rail covers are designed to provide heat resistance, but prolonged exposure to extreme heat may affect their performance.
- **Chemical Resistance:** Avoid exposing the rail covers to harsh chemicals that may degrade the material.
- **Proper Handling:** Handle the rail covers with care during installation to avoid injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the rail area where the rail covers will be installed to ensure proper adhesion.
- Ensure the rail is dry and free from debris.

### 2. Installation:

- Align the MLOK Rail Cover with the desired section of the MLOK rail.
- Press the rail cover firmly into the MLOK slot until it snaps into place.
- Each rail cover fills 3 MLOK sections; ensure you have the correct number of covers for your rail system.

### 3. Usage:

- Once installed, ensure that the rail covers are securely attached before using the firearm or equipment.
- Regularly check the attachment of the rail covers during use, especially after heavy use or exposure to harsh conditions.

## Disposal Instructions

- Dispose of the MLOK Rail Covers in accordance with local regulations regarding plastic and rubber waste.
- Do not incinerate or expose the rail covers to extreme heat during disposal.

## Contact Information for Further Support

For inquiries related to product safety, installation, or usage, please refer to the manufacturer's official website or customer support channels.

Thank you for your attention to these safety instructions. Enjoy using your MLOK Rail Covers safely and responsibly.
