MLOK Rail Covers Safety Instructions

Introduction

Thank you for choosing the MLOK Rail Covers by B5 Systems. This product is designed to enhance the usability of your firearm while ensuring safety and comfort during operation. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or removing the MLOK Rail Covers.
- Inspect the rail covers for any signs of damage before each use. Do not use if damaged.
- Keep the rail covers out of reach of children and vulnerable individuals.
- Be aware of your surroundings when handling firearms equipped with rail covers.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Grip Safety:** The soft noslip material provides a secure grip, but ensure hands are dry and clean to maintain traction.
- **Heat Resistance:** The rail covers are designed to withstand heat; however, avoid prolonged exposure to high temperatures.
- **Chemical Resistance:** While the material is resistant to chemicals, avoid contact with harsh substances that may degrade the cover.
- **Installation Safety:** Ensure that the rail covers are properly secured to prevent them from coming loose during use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Align the MLOK Rail Cover with the desired section on the rail.
- Press the rail cover firmly into place until it clicks, indicating that it is secured.
- Each rail cover fills 3 MLOK sections; ensure proper placement for optimal usage.

2. Usage:

- Use the rail covers to improve grip and comfort while handling the firearm.
- Check the rail covers periodically during use to ensure they remain securely attached.
- If you notice any loosening or damage, remove the rail covers immediately and inspect them.

Disposal Instructions

- Dispose of the MLOK Rail Covers in accordance with local regulations regarding plastic and rubber waste.
- Do not burn the rail covers, as this may release harmful substances.

Contact Information for Further Support

For any inquiries or support regarding the MLOK Rail Covers, please refer to the contact details provided with the product packaging.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
