# Safety Instruction Guide for MODELS 2224, 27, 35 .40 S&W Competition Mags for Glock® Elite Tactical Systems Group

## Introduction

Thank you for choosing the MODELS 2224, 27, 35 .40 S&W Competition Mags for Glock® from Elite Tactical Systems Group. This guide provides essential safety instructions to ensure safe handling and usage of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use and keep it for future reference.

## General Safety Guidelines

- Ensure that you are familiar with the safe handling of firearms and ammunition before using this product.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep magazines out of reach of children and unauthorized users.
- Inspect magazines regularly for signs of damage or wear. Do not use damaged magazines.
- Use only compatible ammunition as specified for your firearm model.
- Follow all local laws and regulations regarding firearm and ammunition storage and usage.

## Specific Safety Precautions for Use

- Only use the magazines with compatible Glock models: 22, 23, 24, 27, and 35.
- Ensure that the magazine is properly seated in the firearm before use.
- Do not overload the magazine beyond its specified capacity (19 rounds).
- Avoid exposing magazines to extreme temperatures or moisture, which can affect performance.
- Do not attempt to disassemble the magazine unless following the provided disassembly instructions.
- Always store magazines in a safe and secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the magazine into the magazine well of the firearm until it clicks into place.
- Verify that the magazine is securely seated.

### 2. Loading the Magazine:

- Hold the magazine with the feed lips facing upward.
- Insert rounds into the magazine, ensuring they are properly aligned.
- Do not exceed the magazine's capacity (19 rounds).

### 3. Using the Magazine:

- Once loaded, insert the magazine into the firearm as described in the installation section.
- After firing, remove the magazine from the firearm by pressing the magazine release button.
- If the magazine fails to feed properly, inspect for obstructions or damage.

### 4. Disassembly:

- To disassemble the magazine for cleaning, ensure the magazine is unloaded.

- Use a flat tool to gently pry off the base plate according to the manufacturer's instructions.
- Clean the magazine components with a soft cloth and mild cleaner, avoiding harsh chemicals.

## **Disposal Instructions**

- Dispose of damaged or unusable magazines in accordance with local regulations.
- Do not dispose of magazines in regular household waste.
- Contact local authorities or waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the product, please refer to the contact information provided on the packaging or your purchase receipt. Ensure you have your product information ready when seeking assistance.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure safe and effective use of the MODELS 2224, 27, 35 .40 S&W Competition Mags for Glock®. Always stay informed about safety practices and adhere to local regulations regarding firearm usage. Thank you for choosing Elite Tactical Systems Group.
