## Increase Reliability & Carrying Capacity

ETS translucent polymer magazines are constructed of lightweight performance polymer and provide OE reliability. The translucent magazine bodies are designed to make it easy to immediately recognize whether a magazine is loaded or not. The ETS translucent polymer Glock 42 magazines are available in 6 and 12-round capacities. Whether you're planning your EDC, heading out to practice, or off to the match, there is a reload to meet your needs. Easy disassembly with specially designed base plate Compatible with Glock, as well as aftermarket floorplates Creep resistant - feed lips and body won't spread when stored long term, even when loaded ETS translucent polymer magazines complete your Glock 42 carry or competition setup.

# **Safety Instruction Guide for MODEL 42 .380 MAGAZINES FOR GLOCK® ELITE TACTICAL SYSTEMS GROUP**

## **Introduction**

Thank you for choosing the MODEL 42 .380 MAGAZINES FOR GLOCK® ELITE TACTICAL SYSTEMS GROUP. This guide provides important safety information to ensure the safe use and handling of your magazine. Please read this document carefully before using the product.

## **General Safety Guidelines**

- Ensure safe use of the magazine in accordance with all applicable laws and regulations.
- Always check that the magazine is unloaded before handling.
- Store the magazine in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of wear or damage.
- Follow all manufacturer instructions for use and maintenance.
- Report any unsafe products or incidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Do not use the magazine with ammunition that is not compatible with the .380 ACP cartridge.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals that may damage the polymer material.
- Always handle the magazine with care to prevent accidental discharge.
- Ensure the magazine is properly seated in the firearm before use.
- Never attempt to modify or disassemble the magazine beyond the manufacturer's instructions.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure your firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the Glock 42.
- Firmly push the magazine into the magazine well until it clicks into place.

### **2. Loading the Magazine:**

- Hold the magazine with the feed lips facing up.
- Insert the .380 ACP cartridges into the magazine, starting from the bottom.
- Ensure each round is seated properly and securely.

### **3. Using the Magazine:**

- Insert the loaded magazine into your Glock 42 as previously instructed.
- Ensure the magazine is properly locked in place before attempting to fire.
- Always follow safe firearm handling practices while using your Glock 42.

### **4. Disassembly:**

- To disassemble the magazine, ensure it is unloaded.
- Use the specially designed base plate to carefully remove the base.

- Follow the manufacturer's instructions for any further disassembly.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations regarding polymer materials.
- If the magazine is damaged or no longer functional, ensure it is safely disposed of to prevent accidental use.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of your MODEL 42 .380 MAGAZINES FOR GLOCK® ELITE TACTICAL SYSTEMS GROUP, please contact the manufacturer or your local authorized dealer for assistance.

By adhering to the safety guidelines and instructions outlined in this document, you can help ensure a safe and enjoyable experience with your magazine. Thank you for your attention to safety.
