# Safety Instruction Guide for AK Picatinny End Plate Adaptor

## Introduction

Thank you for purchasing the AK Picatinny End Plate Adaptor from Midwest Industries. This guide provides important safety information, installation instructions, and usage guidelines to ensure the safe and effective use of this product. Please read all sections carefully before proceeding.

## General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always follow the manufacturer's guidelines for your firearm model.
- Keep this product out of reach of children and unauthorized users.
- Inspect the product for any damage before installation. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) when handling tools and firearms.
- Follow all local laws and regulations regarding firearm modifications.

## Specific Safety Precautions for Use

- **Installation Warning:** User must cut off the stock tang to install the adaptor. Ensure that you are comfortable with this modification before proceeding.
- **Gunsmithing:** Additional gunsmithing may be required depending on the specific firearm model. Consult a professional if unsure.
- **Correct Adaptor Selection:** Ensure you choose the correct End Plate Adaptor for your specific AK model (AKM pattern rifles, 4.5 Pin Size, 5.5 Pin Size, or Yugo Models).
- **Tension Blocks:** The adaptor features steel tension blocks to ensure a snug fit. Ensure they are properly installed to avoid any movement during use.
- **Stock Compatibility:** This adaptor allows for the use of 1913 style fixed or side folding stocks. Ensure compatibility with your chosen stock.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools: a cutting tool, screwdrivers, and any other required tools for installation.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Remove the existing stock from your AK rifle.
- Carefully cut off the stock tang according to the manufacturer's instructions.
- Align the AK Picatinny End Plate Adaptor with the trunnion of your rifle.
- Securely attach the adaptor using the provided screws and ensure the steel tension blocks are properly fitted.
- Doublecheck all connections to ensure stability.

### 3. Usage:

- Once the adaptor is installed, attach your compatible stock securely.
- Test the stability of the installation by gently pulling on the stock to ensure it is firmly attached.
- Always handle your firearm safely and responsibly.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product becomes damaged beyond repair, dispose of it as per local electronic waste disposal guidelines.
- Do not dispose of the product in regular household waste.

## Contact Information for Further Support

For safety inquiries or additional support regarding the AK Picatinny End Plate Adaptor, please refer to the manufacturer's contact information available on the packaging or their official website.

By following these guidelines, you can ensure the safe use of your AK Picatinny End Plate Adaptor. Thank you for your attention to safety.
