# AK Picatinny End Plate Adaptor Safety Instruction Guide

## Introduction

Thank you for choosing the AK Picatinny End Plate Adaptor from Midwest Industries. This guide provides essential safety instructions and installation procedures to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the product is used only with compatible AKM pattern rifles, 4.5 Pin Size, 5.5 Pin Size, or Yugo Models.
- Always wear appropriate safety gear, including eye protection, when handling firearms or installing the adaptor.
- Keep the product out of reach of children and unauthorized users.
- Inspect the adaptor for any damage or defects before installation. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- User must cut off the stock tang to install the adaptor. Exercise caution and use proper cutting tools.
- Additional gunsmithing may be required depending on the specific firearm model. Consult a qualified gunsmith if unsure.
- Ensure that the adaptor is installed securely to prevent any movement or detachment during use.
- Allow for proper clearance when folding stocks to avoid injury or damage to the firearm.
- Regularly check the adaptor and its fittings for wear and tear, and replace them if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a cutting tool, screwdriver, and any additional tools required for your specific firearm.
- Ensure the firearm is unloaded and in a safe condition before beginning installation.

### 2. Installation Steps:

- Remove the existing stock from the firearm by unscrewing or detaching it as per the manufacturer's instructions.
- Carefully cut off the stock tang as necessary to fit the adaptor.
- Align the AK Picatinny End Plate Adaptor with the trunnion on the firearm.
- Secure the adaptor in place using the provided screws and ensure it is tightly fastened.
- Confirm that the adaptor is flush with the firearm and does not interfere with its operation.

### 3. Usage:

- Once installed, the adaptor allows for the attachment of 1913 style fixed or side folding stocks.
- Test the stability of the stock after installation to ensure it is securely attached and functions correctly.
- Follow the manufacturer's instructions for any stocks being used with the adaptor.

## **Disposal Instructions**

- Dispose of any packaging materials and unused components in accordance with local waste management regulations.
- If the product is no longer needed or is damaged beyond repair, dispose of it in a manner that prevents unauthorized use.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the AK Picatinny End Plate Adaptor, please refer to the manufacturer's website or customer support resources.

Please remember to always prioritize safety when handling firearms and modifying equipment. Regularly consult safety resources and stay informed about best practices. Thank you for your attention to these important safety guidelines.
