

# AK ADJUSTABLE GAS PISTON - KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM WZ89 ONYKS

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Pistons](#)

## Control Your Overgassed AK-style Rifle

The AK platform, though renowned for its reliability and durability in battlefield conditions, has a well-known flaw: its gas system is hugely overgassed.

Luckily, the market stepped up to provide a solution in the form of the KNS Precision AK Adjustable Gas Piston. How do you know if your AK-style rifle needs better gas regulation? Head to the range, fire a few rounds and see how far your brass ejects. If it's hitting the ground more than 15 feet away, then you need the KNS Precision AK Adjustable Gas Piston. This setup helps to reduce wear on the gun, providing for a longer operating life. Uses existing gas block Small-caliber piston designed for .223 Rem., 5.56 NATO and 5.45x39mm Large-caliber piston designed for 7.62x39mm, .308 Win., and 7.62x54R. Fits AKM, AK-74, VEPR, PSL and M92 rifles. Each KNS Precision AK Adjustable Gas Piston can be installed without the use of a gunsmith in the space of 10 minutes, ensuring you can get back onto the range with little downtime.

# Safety Instruction Guide for KNS Precision Adjustable Gas Piston System WZ89 Onyks

## Introduction

Thank you for choosing the KNS Precision Adjustable Gas Piston System WZ89 Onyks. This product is designed to enhance the performance of your AKstyle rifle by providing adjustable gas regulation. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines for safe handling and operation.
- Ensure that the product is used in accordance with the applicable laws and regulations in your area.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear and damage. Do not use any product that appears to be damaged.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that your firearm is unloaded before installing or adjusting the gas piston system.
- Always wear appropriate safety gear, including eye protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience excessive recoil or malfunction, stop using the firearm immediately and consult a qualified gunsmith.
- Do not modify the gas piston system beyond the manufacturer's specifications.

## Instructions for Installation and Usage

### Installation

1. Ensure your firearm is unloaded and pointed in a safe direction.
2. Remove the existing gas piston from your AKstyle rifle according to the manufacturer's instructions.
3. Take the KNS Precision Adjustable Gas Piston System WZ89 Onyks and align it with the gas block.
4. Securely install the gas piston, ensuring it is properly seated.
5. Adjust the gas settings as needed based on your ammunition type and shooting conditions.
6. Perform a function check to ensure the firearm operates correctly with the new gas piston.

### Usage

- Fire a few rounds to test the gas piston adjustment. Monitor the ejection distance of the brass.
- If brass is ejecting more than 15 feet away, consider further adjusting the gas setting.
- Regularly check the gas piston for wear and ensure it remains securely installed.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in regular household waste. Instead, check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the KNS Precision Adjustable Gas Piston System WZ89 Onyks, please

refer to the manufacturer's website or contact their customer support for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your KNS Precision Adjustable Gas Piston System. Thank you for your attention to safety.
