

AR-15 ENHANCED ULTIMATE DUST COVER - STRIKE INDUSTRIES AR ULTIMATE DUST COVER WITH FLAG DESIGN IN BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Ejection Port Cover Parts](#) > [Ejection Port Covers](#)

It is constructed of a high-density polymer making it more durable and functional than the traditional dust covers. The Ultimate Dust Cover features an adjustable detent set screw in order to compensate wear on the receiver and increase or decrease opening power. (To adjust detent: use small flathead driver and depress the ball detent and adjust necessary.). Choose multiple designs to customize your AR!

AR15 Enhanced Ultimate Dust Cover Safety Instruction Guide

Introduction

Thank you for choosing the AR15 Enhanced Ultimate Dust Cover by Strike Industries. This product is designed to enhance the functionality and durability of your firearm. Please read this safety instruction guide carefully to ensure safe use and compliance with regulations.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure the firearm is pointed in a safe direction during installation and usage.
- Keep the dust cover clean and free from obstructions to ensure proper functioning.
- Regularly inspect the dust cover for signs of wear or damage before use.
- Store the dust cover in a cool, dry place away from direct sunlight and moisture.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Do not attempt to modify the dust cover in any way other than the adjustable detent feature.
- Use only the recommended tools for adjustments to avoid damaging the product.
- Ensure that the detent set screw is properly adjusted to prevent unintentional opening or closing of the dust cover.
- Keep the product out of reach of children and unauthorized users.
- If the dust cover is damaged or malfunctioning, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing dust cover if applicable.
- Align the AR15 Enhanced Ultimate Dust Cover with the ejection port of your firearm.
- Secure the dust cover in place according to the manufacturer's instructions.
- Ensure that it is properly seated and operates smoothly.

2. Adjusting the Detent:

- To adjust the detent set screw, use a small flathead screwdriver.
- Depress the ball detent while turning the screw to increase or decrease the opening power.
- Make small adjustments and test the operation of the dust cover after each adjustment.

3. Usage:

- Ensure that the dust cover is closed when the firearm is not in use to protect the internal components from dust and debris.
- Open the dust cover only when necessary, such as during firing or maintenance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic materials.
- Do not dispose of the product in general waste if it is damaged or contains hazardous materials.

- Consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety, usage, or warranty, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you can ensure safe and effective use of your AR15 Enhanced Ultimate Dust Cover. Thank you for your attention to safety and compliance.
