

AR-15 ENHANCED ULTIMATE DUST COVER - STRIKE INDUSTRIES AR ULTIMATE DUST COVER FOR 5.56-TEXAS EDITION V1 IN BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Ejection Port Cover Parts](#) > [Ejection Port Covers](#)

It is constructed of a high-density polymer making it more durable and functional than the traditional dust covers. The Ultimate Dust Cover features an adjustable detent set screw in order to compensate wear on the receiver and increase or decrease opening power. (To adjust detent: use small flathead driver and depress the ball detent and adjust necessary.). Choose multiple designs to customize your AR!

AR15 Enhanced Ultimate Dust Cover Safety Instruction Guide

Introduction

Thank you for choosing the AR15 Enhanced Ultimate Dust Cover by Strike Industries. This product is designed to enhance the functionality and durability of your firearm. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Regularly inspect the dust cover for any signs of wear or damage before each use.
- Keep the dust cover and all firearm components out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recalls and safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded and pointed in a safe direction when installing or adjusting the dust cover.
- Use appropriate tools (e.g., small flathead driver) to adjust the detent set screw; do not use excessive force.
- Do not modify the dust cover or attempt to repair it if damaged; contact the manufacturer for assistance.
- Be cautious of sharp edges during installation and adjustments.
- If you experience difficulty with the dust cover's operation, cease use immediately and consult the manufacturer's guidelines.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing dust cover if applicable.
- Align the new Ultimate Dust Cover with the ejection port.
- Securely attach the dust cover to the firearm, ensuring it is properly seated.

2. Adjusting the Detent:

- Use a small flathead driver to gently depress the ball detent.
- Adjust the detent set screw to increase or decrease the opening power as needed.
- Test the operation of the dust cover to ensure it functions smoothly.

3. Regular Maintenance:

- Periodically check the dust cover and detent set screw for wear.
- Clean the dust cover with a soft cloth to remove dirt and debris.
- Store the firearm in a safe and dry place when not in use.

Disposal Instructions

- Dispose of the dust cover in accordance with local regulations for plastic waste.
- Do not incinerate or dispose of the product in a manner that could harm the environment.

- If the product is damaged beyond use, contact local waste management authorities for proper disposal guidance.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Enhanced Ultimate Dust Cover, please refer to the manufacturer's website or contact their customer support.

By following these guidelines, you will ensure the safe and effective use of your AR15 Enhanced Ultimate Dust Cover. Thank you for your attention to safety and compliance.
