AK Alpha Series Railed Top Cover Safety Instruction Guide

Introduction

Thank you for choosing the AK Alpha Series Railed Top Cover from Midwest Industries. This guide provides important safety instructions and recommendations to ensure the safe use and installation of this product. Please read this guide carefully before use.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or removing the top cover.
- Inspect the product for any damage before installation. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Use the product only as intended and according to the instructions provided.
- Be aware of your surroundings and ensure that no one is in the line of fire when handling the firearm.
- Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure compatibility with MI Alpha Series handguards. This product is not compatible with other Midwest Industries generations or products from other manufacturers.
- The adjustable locking block is designed to fit most AK firearms. Ensure proper fit before use.
- Do not attempt to modify the top cover or firearm in any way that could compromise safety.
- Maintain a clean working environment to prevent dust and dirt from entering the firearm during installation.
- Always wear appropriate safety gear, including eye protection, when handling firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if required.

2. Installation:

- Remove the existing top cover from the firearm.
- Align the AK Alpha Series Railed Top Cover with the handguard.
- Adjust the locking block to ensure a secure fit on the firearm.
- Confirm that the top cover locks into place without excessive force.
- Verify that the factory rear sight is maintained for a lower 1/3 cowitness sight picture.

3. Usage:

- Once installed, regularly check the stability of the top cover and locking block.
- Clean the top cover and surrounding areas to prevent buildup of dirt and debris.
- Always ensure the firearm is in a safe condition when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and steel materials.
- Do not dispose of the product in ordinary household waste.

- Consider recycling options available in your area for metal materials.

Contact Information for Further Support

For any inquiries regarding safety or product support, please consult the manufacturer's website or contact the customer service department directly.

Thank you for your attention to these safety instructions. Enjoy your experience with the AK Alpha Series Railed Top Cover. Stay safe!
