

# ULTRA™ MICROMETER SEATER DIES - FORSTER PRODUCTS, INC.

## 8.6MM BLACKOUT MICROMETER SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. The Forster Ultra Seater includes all of the features of the Forster Bench Rest Seater Die above, plus an ultra accurate micrometer adjustment. This micrometer adjustment allows you to adjust bullet seating depth from .0005 inch to .001 inch increments, and makes switching bullets easy - just dial back to your previous recorded setting. Forster Ultra Seaters make fine tuning your bullets to the lands of your rifling simple.

### Attributes

- Name: [FORSTER PRODUCTS, INC. 8.6MM BLACKOUT MICROMETER SEATER DIE](#)

# ULTRA™ MICROMETER SEATER DIES FORSTER PRODUCTS, INC. Safety Instruction Guide

## Introduction

Thank you for choosing the ULTRA™ MICROMETER SEATER DIES from Forster Products, Inc. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the die and keep it for future reference.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Store the product in a dry, safe place away from children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding reloading and ammunition.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper use of the die can lead to serious injury or damage.
- Risk of accidental discharge if proper safety measures are not followed.

### • Avoiding Hazards:

- Always ensure the firearm is unloaded before using the die.
- Never point the die or any reloading tool at yourself or others.
- Do not exceed recommended load specifications when reloading.

### • Age Restrictions:

- This product is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised by a qualified adult.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that your reloading press is securely mounted and stable.
2. Remove any existing dies from the press.
3. Carefully insert the ULTRA™ MICROMETER SEATER DIE into the press.
4. Secure the die using the Forster Cross Bolt Die Locking Ring, ensuring it is tightly fastened.

### • Usage:

1. Set the desired bullet seating depth using the micrometer adjustment. Adjust in increments of .0005 inch to .001 inch.
2. Insert the bullet into the case mouth.
3. Gently lower the ram of the press to seat the bullet to the desired depth.
4. After each adjustment, check the seating depth to ensure it meets your specifications.

5. Record your settings for future reference.

- **PostUse:**

- Clean the die after use to prevent residue buildup.
- Store the die in its protective case or a safe location.

## Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the ULTRA™ MICROMETER SEATER DIES, please refer to the contact information provided on the product packaging or visit the manufacturer's website for additional support.

Thank you for your attention to these safety guidelines. Proper use and care of the ULTRA™ MICROMETER SEATER DIES will ensure a safe and enjoyable reloading experience.
