

AK-47 REAR SIGHT RAIL - SAMSON MANUFACTURING CORP REAR SIGHT RAIL LOW PROFILE AIMPOINT MICRO T1 INTERFACE®AK47

[Rifle Parts](#) > [Sights](#) > [Sight Parts](#) > [Rear Sight Bases](#)

No-Gunsmithing Optic Mount With Backup Rear "Iron" Sight

An easy way to add a tactical optic to your Kalashnikov, this steel mount replaces the rear sight on any AK-pattern rifle to enable mounting of a red dot or holographic sight. MIL-STD 1913 Picatinny slots provide a rock-solid attachment point for the optic that won't shift during extended-fire sessions. Easy to install - requires no permanent modification to the rifle. Channel through the length of the mount has a built-in rear sight that works with factory front sight for iron sight backup in the event of optic damage, failure, or battery run-down.

Attributes

- Name: [SAMSON MANUFACTURING CORP REAR SIGHT RAIL LOW PROFILE AIMPOINT MICRO T1 INTERFACE®AK47](#)
- Manufacturer: [SAMSON MANUFACTURING CORP](#)
- Product no.: 430107470
- Mfr. No.: 03-00300-03

Safety Instruction Guide for AK47 Rear Sight Rail

Introduction

Thank you for choosing the AK47 Rear Sight Rail by Samson Manufacturing Corp. This guide provides essential safety instructions to ensure the safe use and installation of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that the firearm is unloaded before installation or maintenance.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- The rear sight rail is designed for use with AKpattern rifles only.
- Ensure that the mount is securely attached before using the firearm.
- Do not exceed the manufacturer's recommended weight limit for optics mounted on the rail.
- Use only compatible optics with the rail to ensure proper function and safety.
- In case of optic damage or failure, revert to the factory front sight for aiming.
- Be aware of the potential for recoil and ensure a proper grip on the firearm during use.

Instructions for Installation and Usage

Installation Steps

1. **Prepare the Firearm:** Ensure the firearm is completely unloaded. Remove any existing rear sight if applicable.
2. **Align the Mount:** Position the rear sight rail over the rear sight base of the AKpattern rifle.
3. **Secure the Mount:** Use the provided mounting hardware to attach the rail securely. Ensure all screws are tightened but do not overtighten.
4. **Check Alignment:** Confirm that the rail is aligned correctly with the factory front sight.
5. **Install Optic:** Attach your chosen optic to the rail, ensuring it is securely mounted.

Usage Instructions

- Always check the security of the mount and optic before each use.
- Practice aiming with the iron sights before relying solely on the optic.
- In case of battery rundown or optic failure, switch to the iron sights immediately.
- Regularly clean and maintain the rail and optic to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not throw the product in regular household waste.
- Contact local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the AK47 Rear Sight Rail, please contact your local dealer or the

manufacturer directly. Ensure that you have the product information ready for reference.

By following these guidelines, you can ensure the safe and effective use of your AK47 Rear Sight Rail. Thank you for your attention to safety.
