# Safety Instruction Guide for the Geissele SOPMODCertified Super Precision Scope Vortex 16 Mount

## Introduction

Thank you for choosing the Geissele SOPMODCertified Super Precision Scope Vortex 16 Mount. This product is designed to provide a secure and reliable mounting solution for your AR15 platform. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is suitable for your specific AR15 model before installation.
- Always inspect the mount for any signs of damage or wear before use.
- Use only compatible optics with a 30mm main tube diameter.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Keep the mount and any attached optics out of reach of children and unauthorized users.
- Report any unsafe product incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Installation Precautions:**
  - Ensure that the mounting surface is clean and free of debris before installation.
  - Do not overtighten screws or mounting hardware, as this may damage the mount or your firearm.
- **Operational Precautions:**
  - Always treat your firearm as if it is loaded, even when not in use.
  - Ensure that the mount is securely attached before using your firearm.
  - Regularly check the mount for tightness and stability during use.
- **Storage Precautions:**
  - Store the mount in a dry, cool place when not in use to prevent corrosion or damage.
  - Avoid exposing the mount to extreme temperatures or harsh chemicals.

## Instructions for Installation and Usage

1. **Installation:**
  - Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
  - Align the mount with the Picatinny rail on your AR15.
  - Securely attach the mount using the provided screws, ensuring a snug fit without overtightening.
  - Confirm that the mount is level and properly positioned for optimal use.
2. **Usage:**
  - Once installed, attach your Vortex 16 optic to the mount.
  - Make sure the optic is securely fastened and properly zeroed before use.
  - Regularly check the mount and optic for any signs of loosening or misalignment during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in household waste.
- If you are unsure about disposal methods, consult your local waste management authorities for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the Geissele SOPMODCertified Super Precision Scope Vortex 16 Mount, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Geissele SOPMODCertified Super Precision Scope Vortex 16 Mount. Thank you for your attention to safety.
