Safety Instruction Guide for WCP365 XMACRO Short Grip Module

Introduction

Thank you for choosing the WCP365 XMACRO Short Grip Module manufactured by Wilson Combat. This product is designed to enhance your shooting experience and improve the concealed carry capabilities of your SIGSAUER P365 XMacro. Please read this safety instruction guide carefully to ensure safe and proper use of the grip module.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the grip module and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the grip module for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Use the WCP365 XMACRO Short Grip Module only with compatible models, including the Standard, X, XMACRO, and XL models.
- Do not attempt to modify or alter the grip module in any way, as this may compromise safety and performance.
- Ensure that the grip module is securely attached to the firearm before use.
- Avoid using the grip module in adverse weather conditions that could affect your grip or control of the firearm.
- Be aware of your surroundings and ensure that you have a clear line of sight when using your firearm.

Instructions for Installation and Usage

Installation

1. **Remove the Existing Grip:** Ensure the firearm is unloaded. Remove the existing grip module following the manufacturer's instructions.
2. **Attach the New Grip Module:**
 - Align the WCP365 XMACRO Short Grip Module with the firearm frame.
 - Press the grip module firmly into place until it clicks securely.
3. **Check for Security:** Verify that the grip module is properly attached by gently tugging on it.

Usage

- Practice proper shooting techniques to maximize the benefits of the enhanced grip and recoil control.
- Regularly clean the grip module to maintain its condition and performance.
- Use the internal slots for rodstyle tungsten weights if desired, following the manufacturer's guidelines.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations.
- Do not dispose of the grip module in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the WCP365 XMACRO Short Grip Module, please reach out to the manufacturer's support team or your authorized dealer.

By following these guidelines and precautions, you can ensure a safe and enjoyable shooting experience with your WCP365 XMACRO Short Grip Module. Thank you for your attention to safety.
