Safety Instruction Guide for WCP365 XMACRO Short Grip Module

Introduction

Thank you for choosing the WCP365 XMACRO Short Grip Module by Wilson Combat. This product is designed to enhance your shooting experience and improve the concealed carry capabilities of your SIGSAUER P365 XMacro. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are familiar with the operation of your firearm and the grip module before use.
- Store the grip module and firearm in a secure location, out of reach of children and unauthorized users.
- Inspect the grip module and firearm regularly for any signs of wear or damage.
- Use only compatible accessories and ammunition as specified by the manufacturer.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the grip module if it shows signs of damage or wear.
- Ensure that the grip module is securely attached to the firearm before use.
- Avoid using the grip module in wet or slippery conditions that may affect grip control.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations related to firearm use and concealed carry.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Grip:** Carefully remove the existing grip module from your SIGSAUER P365 XMacro by following the manufacturer's instructions.
3. **Install New Grip Module:**
 - Align the WCP365 XMACRO Short Grip Module with the firearm frame.
 - Press the grip module firmly into place until it clicks securely.
4. **Check Fit:** Ensure that the grip module is properly fitted and does not move or wiggle.
5. **Reinstall Components:** If applicable, reinstall any components that were removed during the grip installation.

Usage

- Grip the firearm firmly using the new grip module to enhance control and recoil management.
- Familiarize yourself with the grip's texture and ergonomics to maximize comfort and performance.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations.
- Do not dispose of the grip module in regular household waste.
- Consider recycling options for polymer materials where available.

Contact Information for Further Support

For any inquiries or support regarding the WCP365 XMACRO Short Grip Module, please refer to the manufacturer's contact details provided with your product. Always ensure you have the latest information on safety recalls and product updates.

By following these guidelines, you can ensure a safe and enjoyable experience with your WCP365 XMACRO Short Grip Module. Thank you for your attention to safety, and happy shooting!
