Safety Instruction Guide for WCP365 XMACRO Grip Module

Introduction

Thank you for choosing the WCP365 XMACRO Grip Module by Wilson Combat. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new grip module. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the grip module is compatible with your firearm model (SIGSAUER P365 XMacro).
- Always handle firearms with care and follow basic firearm safety rules.
- Store the grip module and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the grip module for signs of wear or damage. If any issues are found, discontinue use immediately.
- Be aware of your surroundings and ensure that your shooting area is safe and secure.

Specific Safety Precautions for Use

- **Manual Safety:** This grip module does not feature a manual safety. Always treat the firearm as if it is loaded.
- **Grip Control:** Practice proper grip techniques to maintain control of the firearm during use. The upgraded beavertail grip tang helps achieve smooth draws.
- **Recoil Management:** The modified backstrap shape enhances grip and recoil control. Familiarize yourself with the grip before engaging in live fire.
- **Compatibility:** Ensure that you use compatible magazines with the grip module. Using incompatible magazines may cause malfunctions.
- **Holster Use:** When carrying the firearm, use a holster that is compatible with the P365XMACRO grip module to ensure safe transport.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip module from the firearm by following the manufacturer's instructions.
- Align the Wilson Combat P365 XMacro grip module with the firearm frame.
- Secure the grip module in place according to the manufacturer's installation instructions.
- Confirm that the grip module is firmly attached and does not move.

2. Usage:

- Before using the firearm, ensure that you have a proper understanding of the grip module's features.
- Practice with the grip module in a safe environment to become accustomed to its feel and handling.
- Always wear appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding firearm usage and concealed carry.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations regarding plastic waste.
- If the grip module is damaged or no longer in use, consider recycling options if available.
- Do not dispose of any parts in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the WCP365 XMACRO Grip Module, please contact the manufacturer directly. Ensure that you have your product details available for reference.

By following these guidelines, you can ensure a safe and enjoyable experience with your WCP365 XMACRO Grip Module. Thank you for your commitment to safety.
