

# REM-CHOKE 12 GAUGE SPORTING CLAYS REMINGTON CHOKE TUBES - CARLSONS REM-CHOKE 12 GA FULL REMINGTON CHOKE TUBE SS

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

## Tight, Consistent Patterns, Less Shot Deformation

Longer parallel section than Carlson's conventional tubes gives consistent shot patterns. Extra smooth interior surface minimizes shot deformation. Laser marked constriction provides fast identification. External knurled ring extends approximately 3/4" from end of barrel for fast changes between stations. Can be used with steel shot.

## Attributes

- Name: [CARLSONS REM-CHOKE 12 GA FULL REMINGTON CHOKE TUBE SS](#)

# REMCHOKE 12 GAUGE SPORTING CLAYS Safety Instruction Guide

## Introduction

Thank you for choosing the REMCHOKE 12 Gauge Sporting Clays Remington Choke Tubes by Carlsons. This guide provides essential safety instructions to ensure the safe and effective use of your choke tube. Please read this guide carefully before use.

## General Safety Guidelines

- Always handle firearms and accessories responsibly and with care.
- Ensure that you are familiar with the specific laws and regulations regarding firearm use in your area.
- Use the choke tube only with compatible firearms and ammunition.
- Regularly inspect your choke tube for any signs of damage or wear before each use.
- Keep the choke tube and all firearm accessories out of the reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or removing the choke tube.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Do not exceed the manufacturer's recommended load specifications.
- Avoid using the choke tube with ammunition types that are not compatible, such as steel shot if not specified.
- Make sure the choke tube is securely tightened before firing.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Choke Tube:** Use a choke tube wrench to carefully remove the existing choke tube from the barrel.
3. **Install New Choke Tube:**
  - Align the threads of the REMCHOKE tube with the barrel.
  - Handtighten the choke tube until it is snug.
  - Use the choke tube wrench to secure it further, but do not overtighten.
4. **Check Installation:** Ensure the choke tube is properly installed and secure before proceeding.

### Usage

- Load your firearm according to the instructions provided by the manufacturer.
- Ensure the choke tube is suitable for the type of shooting you are performing (e.g., sporting clays).
- Follow standard safety practices when aiming and firing.

## Disposal Instructions

- Dispose of the choke tube in accordance with local regulations regarding metal waste.
- Do not dispose of the choke tube in regular household waste.
- If the choke tube is damaged or no longer usable, consider recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the REMCHOKE 12 Gauge Sporting Clays Remington Choke Tubes, please reach out to your retailer or the manufacturer for assistance. Always ensure you are following the latest safety guidelines and regulations.

Thank you for prioritizing safety and responsible firearm use. Enjoy your shooting experience!
