

REM-CHOKE 12 GAUGE SPORTING CLAYS REMINGTON CHOKE TUBES - CARLSONS REM-CHOKE 12 GA IMPROVED MODIFIED REMINGTON CHOKE TUBE SS

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

Tight, Consistent Patterns, Less Shot Deformation

Longer parallel section than Carlson's conventional tubes gives consistent shot patterns. Extra smooth interior surface minimizes shot deformation. Laser marked constriction provides fast identification. External knurled ring extends approximately 3/4" from end of barrel for fast changes between stations. Can be used with steel shot.

Attributes

REMCHOKE 12 Gauge Sporting Clays Remington Choke Tubes Safety Instruction Guide

Introduction

Thank you for choosing the REMCHOKE 12 Gauge Sporting Clays Remington Choke Tubes by Carlson's. This safety instruction guide is designed to provide you with essential information to ensure the safe and effective use of this product. Please read all instructions carefully before use.

General Safety Guidelines

- Ensure that the choke tube is compatible with your shotgun model before use.
- Always handle firearms and ammunition with care and follow the basic rules of gun safety.
- Store choke tubes in a secure location away from children and unauthorized users.
- Regularly inspect choke tubes for signs of wear or damage before each use.
- Use only the recommended type of ammunition with this choke tube.
- Be aware of your surroundings and ensure that you are in a safe environment when using this product.

Specific Safety Precautions for Use

- Always ensure the shotgun is unloaded before installing or removing the choke tube.
- Use protective eyewear when shooting to prevent injury from potential debris.
- Avoid using steel shot if not specified in the product guidelines, as it may cause damage to the choke tube.
- Do not exceed the recommended constriction size for your shooting needs to avoid safety hazards.
- Be cautious of your shooting position and the direction of your shot to prevent accidents.

Instructions for Installation and Usage

1. Installation of Choke Tube:

- Ensure the shotgun is completely unloaded.
- Remove the existing choke tube from the shotgun if applicable.
- Clean the threads of the choke tube and the shotgun's muzzle to ensure a secure fit.
- Carefully screw the REMCHOKE tube into the shotgun's muzzle until handtight.
- Use a choke wrench if necessary to ensure a secure fit without overtightening.

2. Usage:

- Load the shotgun according to the manufacturer's instructions.
- Aim in a safe direction and ensure the area is clear of people and obstacles.
- Fire the shotgun as intended, being mindful of your surroundings.
- After use, unload the shotgun and remove the choke tube for cleaning.

Disposal Instructions

- Dispose of old or damaged choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste.
- Consider recycling materials where possible, and check with local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the REMCHOKE 12 Gauge Sporting Clays Remington Choke Tubes, please refer to the contact information provided by the manufacturer or retailer. Ensure you have the product details ready for a more efficient response.

By following these safety instructions, you can help ensure a safe and enjoyable shooting experience. Thank you for your attention to safety and for choosing Carlson's products.
