

INVECTOR PLUS 12 GAUGE SPORTING CLAYS BROWNING INV. CHOKE TUBES - CARLSONS INVECTOR PLUS 12 GA FULL BROWNING CHOKE TUBE SS

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

Tight, Consistent Patterns, Less Shot Deformation

Longer parallel section than Carlson's conventional tubes gives consistent shot patterns. Extra smooth interior surface minimizes shot deformation. Laser marked constriction provides fast identification. External knurled ring extends approximately 3/4" from end of barrel for fast changes between stations. Can be used with steel shot.

Attributes

- Name: [CARLSONS INVECTOR PLUS 12 GA FULL BROWNING CHOKE TUBE SS](#)

INVECTOR PLUS 12 GAUGE SPORTING CLAYS CHOKE TUBE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the INVECTOR PLUS 12 Gauge Sporting Clays Choke Tube by Carlson's. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your choke tube. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that all users are familiar with safe firearm handling practices.
- Always treat every firearm as if it is loaded.
- Inspect the choke tube for any damage before installation.
- Only use the choke tube with compatible Browning InvectorPlus shotguns.
- Do not modify the choke tube or use it in any way not intended by the manufacturer.
- Store the choke tube in a secure location away from children and unauthorized users.
- Regularly check for recalls and safety updates on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Use only approved ammunition types, including steel shot, as specified.
- Ensure that the choke tube is properly installed before use.
- Do not exceed the maximum constriction size specified for your firearm.
- If you experience any unusual performance or damage, cease use immediately and consult a qualified gunsmith.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation of Choke Tube

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove the existing choke tube, if applicable, by turning it counterclockwise.
- Clean the threads of the choke tube and the shotgun's muzzle.
- Align the threads of the INVECTOR PLUS choke tube with the shotgun's muzzle.
- Turn the choke tube clockwise until it is securely tightened. Do not overtighten.

2. Usage of Choke Tube

- Confirm that the choke tube is securely installed before shooting.
- Load the shotgun with appropriate ammunition.
- Fire the shotgun in a safe direction, ensuring proper shooting stance and grip.
- Monitor the performance of the choke tube during use. If you notice any issues, stop using it immediately.

3. Maintenance

- After use, clean the choke tube and threads to prevent corrosion and buildup.
- Store the choke tube in a dry place, preferably in its original packaging.

Disposal Instructions

- Dispose of the choke tube in accordance with local regulations.
- Do not dispose of the choke tube in regular household waste.
- Consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance, please consult the manufacturer's website or contact your local dealer. Always ensure that you are seeking assistance from authorized personnel.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the INVECTOR PLUS 12 Gauge Sporting Clays Choke Tube. Stay safe!
