

# SCAR MREX MARK II M-LOK HANDGUARDS - KINETIC DEVELOPMENT GROUP MREX MARK II HANDGUARD M-LOK 6.5" FOR FN SCAR BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## An Easy, Add-On Enhancement for Your FN SCAR MK17

**SCAR MREX MARK II M-LOK HANDGUARDS** Though the platform has been popularized through its use with special-operations groups, the FN SCAR 17 hasn't received the accessory-attachment support that other military rifle platforms have. However, KDG is changing that with the SCAR MREX MKII Rail System. Based on the company's original MREX rail system, this attachment system provides a bunch of M-LOK attachment slots for bolting on your must-have accessories. Each KDG SCAR MREX MKII Rail System can be had in three different lengths: 2.2 inches and 6.5 inches. Each system is machined from 6061-T6 aluminum and features M-LOK modular slots along the entire length of the extension. A Drop M-LOK mounting point at the 12 o'clock position allows shooters to add on lights and lasers. The MKII design also incorporates the step-down design in front of the folding sight that shooters have asked for, but this design does not include the Picatinny rail forward of the front sight. **NOTE: DOES NOT INCLUDE PICATINNY RAIL FORWARD OF THE FRONT SIGHT.** Features Material: 6061-T6 Aluminum Black Anodize or FDE Cerakote Drop M-Lok 12 o'clock position for mounting of laser and light devices 100% Made in the USA Maintains zero for laser/light devices

# SCAR MREX MARK II MLOK HANDGUARDS Safety Instruction Guide

## Introduction

Thank you for choosing the SCAR MREX MARK II MLOK HANDGUARDS by Kinetic Development Group. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new handguard system. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of this product by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** In the event of a recall, you will be notified through standardized notices. Please check for updates regularly.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU based contact as provided by your retailer.
- **Rapid Alerts:** Stay informed about any safety alerts related to this product via the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure the firearm is unloaded before beginning installation.
  - Use appropriate tools to avoid injury during installation.
- **Usage Safety:**
  - Always adhere to firearm safety rules while using the handguard.
  - Avoid placing excessive weight or stress on the handguard that may cause it to fail.
- **Maintenance Safety:**
  - Regularly inspect the handguard for signs of wear or damage.
  - Do not attempt to modify the handguard in any way that could compromise its integrity.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Prepare Your Workspace:

- Ensure you have a clean, well-lit area to work in.
- Gather necessary tools: a wrench, screws, and any other required installation hardware.

#### 2. Remove Existing Handguard:

- Unload the firearm completely.
- Follow the manufacturer's instructions to safely remove the existing handguard.

#### 3. Install the SCAR MREX MARK II Handguard:

- Align the new handguard with the mounting points on the firearm.
- Securely fasten the handguard using the provided screws and tools. Ensure that it is tightly fitted to avoid movement during use.

#### 4. Check Installation:

- Once installed, check for any wobble or movement in the handguard.
- Ensure all screws are tightened to the manufacturer's specifications.

## Usage Instructions

- **Attaching Accessories:**

- Utilize the MLOK slots to attach lights, lasers, or other accessories as needed.
- Ensure that all attachments are securely fastened and do not obstruct the firearm's operation.

- **Operational Safety:**

- Always handle the firearm with care and ensure it is pointed in a safe direction.
- Be aware of your surroundings and ensure that the area is clear of obstructions.

## Disposal Instructions

- **Proper Disposal:**

- When the handguard reaches the end of its life cycle, dispose of it in accordance with local regulations.
- Recycle materials where possible, particularly the aluminum components.

## Contact Information for Further Support

For any further questions or support regarding the SCAR MREX MARK II MLOK HANDGUARDS, please refer to the retailer or manufacturer for assistance.

By following these guidelines, you can ensure a safe and effective experience with your SCAR MREX MARK II MLOK HANDGUARDS. Thank you for prioritizing safety and compliance.
