## An Easy, Add-On Enhancement for Your FN SCAR MK17

**SCAR MREX MARK II M-LOK HANDGUARDS** Though the platform has been popularized through its use with special-operations groups, the FN SCAR 17 hasn't received the accessory-attachment support that other military rifle platforms have. However, KDG is changing that with the SCAR MREX MKII Rail System. Based on the company's original MREX rail system, this attachment system provides a bunch of M-LOK attachment slots for bolting on your must-have accessories. Each KDG SCAR MREX MKII Rail System can be had in three different lengths: 2.2 inches and 6.5 inches. Each system is machined from 6061-T6 aluminum and features M-LOK modular slots along the entire length of the extension. A Drop M-LOK mounting point at the 12 o'clock position allows shooters to add on lights and lasers. The MKII design also incorporates the step-down design in front of the folding sight that shooters have asked for, but this design does not include the Picatinny rail forward of the front sight. **NOTE: DOES NOT INCLUDE PICATINNY RAIL FORWARD OF THE FRONT SIGHT.** Features Material: 6061-T6 Aluminum Black Anodize or FDE Cerakote Drop M-Lok 12 o'clock position for mounting of laser and light devices 100% Made in the USA Maintains zero for laser/light devices

## Attributes

- Name: [KINETIC DEVELOPMENT GROUP MREX MARK II HANDGUARD M-LOK 4.25" FOR FN SCAR BLACK](#)
- Manufacturer: [KINETIC DEVELOPMENT GROUP](#)
- Product no.: 430107991
- Mfr. No.: MRX5-MK2-030
- Colour: Black
- Length: 11.08"
- Material: Aircraft Aluminum
- Model: SCAR
- Style: -
- Type: M-LOK
- Weapon type: FN
- Delivery weight: 0.454kg
- UPC: 851064007746

## Item details

Made in USA

US export classification: 0A501.y.1

# SCAR MREX MARK II MLOK HANDGUARDS Safety Instruction Guide

## Introduction

Thank you for choosing the SCAR MREX MARK II MLOK Handguards by Kinetic Development Group. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is compatible with your FN SCAR model before installation.
- Inspect the handguards for any damage or defects before use.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Use appropriate tools for installation to avoid injury.
  - Ensure the firearm is unloaded before beginning installation.
- **Use Safety:**
  - Do not exceed the weight limit for accessories mounted on the handguards.
  - Regularly check the tightness of mounted accessories to prevent accidents.
- **Environmental Safety:**
  - Avoid exposure to extreme temperatures and moisture.
  - Clean the handguards with a soft, dry cloth; do not use harsh chemicals.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: Allen wrench (included), and any additional tools as needed.

### 2. Installation Steps:

- Remove the existing handguards from the FN SCAR.
- Align the SCAR MREX MARK II MLOK Handguards with the mounting points on the firearm.
- Secure the handguards using the provided mounting hardware, ensuring they are tightened appropriately.
- Attach any desired accessories using the MLOK slots, following the manufacturer's guidelines for each accessory.

### 3. Usage:

- After installation, perform a functionality check to ensure all components are secure.
- Use the drop MLOK mounting point at the 12 o'clock position for mounting lights and lasers as needed.
- Always maintain awareness of the firearm's safety features during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Recycle materials such as aluminum where facilities are available.
- Ensure that all parts are disposed of safely to prevent environmental harm.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or customer service resources. Always ensure that you are contacting an EUbased support center for compliance with EU regulations.

By following these guidelines, you can ensure a safe and enjoyable experience with your SCAR MREX MARK II MLOK Handguards. Thank you for your attention to safety.
