

LIVE PILOT FINISH CHAMBER REAMER - MANSON PRECISION 6MM CREEDMOOR REMOVABLE PILOT FINISHER

[Gunsmith Tools](#) > [Barrel Tools](#) > [Reamers](#) > [Centerfire Reamers](#)

Cuts A Smooth, Precise Chamber With Less Chance Of Rifling Damage

Removable (live) pilot greatly reduces the risk of scratching the lands when cutting the chamber to final dimensions, so you get the best possible chambering job for maximum accuracy. Snug-fitting pilot helps provide extra-stable “live center” alignment to maintain proper chamber-to-bore alignment. Precision ground from high speed M7 tool steel for smooth, clean cutting and maximum service life. Includes one pilot for caliber listed.

LIVE PILOT FINISH CHAMBER REAMER MANSON PRECISION 6MM CREEDMOOR REMOVABLE PILOT FINISHER Safety Instructions

Introduction

Thank you for choosing the LIVE PILOT FINISH CHAMBER REAMER MANSON PRECISION 6MM CREEDMOOR REMOVABLE PILOT FINISHER. This product is designed to assist you in achieving precise chambering for your firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using this tool.
- Keep the work area clean and welllit to prevent accidents.
- Ensure that all tools and equipment are in good working condition before use.
- Store the reamer in a safe location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure no one is in the immediate area when using the reamer.
- Follow all local laws and regulations regarding firearm modifications and tools.

Specific Safety Precautions for Use

- **Hazard Identification:** The reamer is sharp and can cause serious injuries. Handle with care.
- **Avoiding Injury:**
 - Always use the reamer with a stable and secure work surface.
 - Do not force the reamer; let it cut at its own pace.
 - Never attempt to modify the reamer or its components.
- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors do not have access to this tool.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and safe before starting any chambering work.
- Gather all necessary tools and materials, including the reamer, a suitable drill or driver, and a stable work surface.

2. Installation:

- Attach the reamer to the drill or driver using the 3/8" square drive shank.
- Ensure the connection is secure to prevent slippage during operation.

3. Usage:

- Position the reamer at the desired entry point of the chamber.
- Begin cutting slowly to allow the live pilot to guide the reamer and maintain proper alignment.
- Monitor the cutting process closely to avoid overcutting or damaging the chamber.
- Periodically withdraw the reamer to clear any debris and ensure smooth cutting.

4. PostUsage:

- Clean the reamer and store it in a safe location.
- Inspect the reamer for any signs of wear or damage before the next use.

Disposal Instructions

- Dispose of the reamer according to local regulations regarding metal tools and sharp objects.
- Do not dispose of the reamer in regular household waste to prevent injury to waste handlers.

Contact Information for Further Support

For questions or concerns regarding the use of the LIVE PILOT FINISH CHAMBER REAMER MANSON PRECISION 6MM CREEDMOOR REMOVABLE PILOT FINISHER, please refer to the manufacturer or your local dealer for assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the LIVE PILOT FINISH CHAMBER REAMER. Thank you for your attention to safety.
