CORE CHOKE TUBES FOR BERETTA/BENELLI MOBIL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the CORE Choke Tubes for Beretta/Benelli. These products are designed to enhance your shooting experience while ensuring safety during use. This guide provides essential safety instructions and information to help you use the choke tubes effectively and responsibly.

General Safety Guidelines

- Always handle firearms and ammunition with care.
- Ensure that you are familiar with your shotgun and its operation before using the choke tubes.
- Use only approved ammunition types as specified for the CORE Choke Tubes.
- Regularly inspect choke tubes for damage or wear before each use.
- Keep choke tubes out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the appropriate choke tube for the type of shooting you plan to do:
 - CR/IC (Close Range/Improved Cylinder): For slugs only.
 - MR/MOD (MidRange/Modified): For shot sizes BB10.
 - LR/FULL (Long Range/Full): For shot sizes BB10.
- Avoid using steel shot in choke tubes not rated for it.
- Ensure that the choke tube is securely installed before firing.
- Do not exceed the recommended shot sizes for each choke constriction.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a clear shooting area.

Instructions for Installation and Usage

1. Installation of Choke Tubes:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Use the choke wrench provided to remove the existing choke (if applicable).
- Select the desired CORE choke tube and align it with the threads in the shotgun barrel.
- Handtighten the choke tube, then use the wrench to secure it firmly, but do not overtighten.

2. Using the Choke Tubes:

- Load your shotgun with the appropriate ammunition for the selected choke tube.
- Always check that the choke tube is properly installed before each use.
- Follow safe shooting practices, including keeping the muzzle pointed in a safe direction and being aware of your target and what lies beyond it.

3. After Use:

- After shooting, remove the choke tube for cleaning and inspection.
- Clean the choke tube and the shotgun barrel to remove any debris or residue.
- Store choke tubes in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Check for local recycling or hazardous waste disposal options.
- Ensure that all packaging materials are disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the CORE choke tubes, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions and guidelines, you can enjoy a safe and effective shooting experience with your CORE Choke Tubes for Beretta/Benelli. Thank you for your commitment to safety.
