# CORE Choke Tubes for Winchester Safety Instruction Guide

## Introduction

Thank you for choosing the CORE Choke Tubes for Winchester. This guide provides important safety instructions to ensure the safe and effective use of your choke tubes. It is designed to comply with the EU General Product Safety Regulation (GPSR) and aims to protect users while providing clear and concise information.

## General Safety Guidelines

- Always ensure that the choke tube is properly installed before using your shotgun.
- Inspect the choke tube for any signs of damage or wear before each use.
- Use only compatible ammunition with the choke tube, as specified in the product details.
- Keep the choke tubes out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the shotgun and its operation before using the choke tubes.
- Do not attempt to modify or alter the choke tubes in any way.
- Use only the recommended shot sizes (BB10) and types (lead, steel, bismuth, Tungsten/TSS, Matrix Loads, Duplex Loads, blends, HeviShot) as specified.
- Slugs may only be used through the Close Range/Improved Cylinder (CR/IC) choke.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you have a safe shooting area.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the shotgun is unloaded and pointed in a safe direction.
- Using a choke tube wrench, remove the existing choke tube from the shotgun.
- Select the appropriate CORE choke tube for your intended use (CR/IC, MR/MOD, LR/FULL).
- Carefully screw the selected choke tube into the shotgun's muzzle until it is secure. Do not overtighten.
- Check that the choke tube is properly seated and aligned.

### 2. Usage:

- Load the shotgun with the appropriate ammunition.
- Be sure to follow all safety protocols while shooting.
- After use, unload the shotgun and ensure that the choke tube remains secure.

## Disposal Instructions

- Dispose of any damaged or worn choke tubes in a responsible manner, following local regulations.
- Do not dispose of choke tubes in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your CORE Choke Tubes for Winchester, please refer to the product packaging for additional information. Ensure that you keep this guide for future reference.

This safety instruction guide is intended to provide you with the necessary information to use your CORE Choke Tubes safely and effectively. Always prioritize safety and compliance with local laws when using firearms. Thank you for your attention to these important guidelines.
