CORE CHOKE TUBES FOR WINCHESTER Safety Instruction Guide

Introduction

Thank you for choosing the CORE Choke Tubes for Winchester. This guide provides important safety instructions and guidelines to ensure safe and effective use of your choke tubes. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that all safety precautions are followed to minimize risks associated with the use of choke tubes.
- Regularly inspect your choke tubes for signs of wear, damage, or corrosion before each use.
- Always use the appropriate choke tube for your specific shotgun and intended shooting activity.
- Store choke tubes in a cool, dry place, away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the shotgun is unloaded when installing or removing choke tubes.
- Use only the recommended shot sizes (BB10) and types (lead, steel, bismuth, Tungsten/TSS, Matrix Loads, Duplex Loads, blends, and HeviShot) as specified for the CORE Series choke tubes.
- Do not exceed the specified range for each choke tube:
 - Close Range Improved Cylinder (CR/IC): 520 yards (lead), 1530 yards (steel)
 - MidRange Modified (MR/MOD): 2035 yards (lead), 2545 yards (steel)
 - Long Range Full (LR/FULL): 3045 yards (lead), 40+ yards (steel)
- SLUGS may only be used through the CR/IC choke tube.
- Ensure proper alignment and secure fit of the choke tube in the shotgun before firing.

Instructions for Installation and Usage

1. Installation of Choke Tube:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Use a choke tube wrench to remove the existing choke tube (if applicable).
- Clean the threads of the choke tube and the shotgun's barrel with a soft cloth.
- Align the choke tube with the threads in the shotgun barrel.
- Handtighten the choke tube until snug, then use the wrench for a final secure fit.

2. Usage:

- Load your shotgun with the appropriate ammunition.
- Aim at your target and ensure a clear line of sight.
- Fire the shotgun while maintaining proper shooting stance and grip.
- After use, always ensure the shotgun is unloaded before removing the choke tube.

Disposal Instructions

- Dispose of used choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the CORE Choke Tubes for Winchester, please refer to the manufacturer's website or contact your local dealer for assistance. Always ensure you have the latest information regarding product safety and recalls.

Thank you for following these safety guidelines. Enjoy your shooting experience responsibly!
