# Universal Shell Holders Lee Precision #25 (AP) Priming Tool Shell Holder Safety Instructions

## Introduction

Thank you for choosing the Universal Shell Holders Lee Precision #25 (AP) Priming Tool Shell Holder. This product is designed for use with various brands of reloading presses. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that the shell holder is compatible with your reloading press before use.
- Keep the shell holder and all reloading tools out of reach of children.
- Inspect the shell holder for any damage or wear before each use. Do not use if damaged.
- Follow all manufacturer instructions and guidelines for your reloading press.
- Use protective eyewear when operating reloading equipment.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- This shell holder is not compatible with the Lee Auto Prime. Ensure you are using it with the correct equipment.
- Always work in a wellventilated area when reloading ammunition.
- Avoid wearing loose clothing or jewelry that could get caught in the reloading equipment.
- Be aware of your surroundings and ensure that no distractions are present while reloading.
- Store the shell holder in a safe and dry place when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is turned off and unplugged (if applicable).
- Locate the shell holder slot on your reloading press.
- Insert the Universal Shell Holder #25 (AP) into the shell holder slot until it is securely in place.
- Doublecheck that the shell holder is seated correctly before proceeding.

### 2. Usage:

- Prepare your reloading components as per your specific reloading guidelines.
- Place the cartridge into the shell holder, ensuring it is seated properly.
- Follow the specific operating instructions for your reloading press to complete the reloading process.
- After use, remove the shell holder from the press and clean it if necessary.

## Disposal Instructions

- Dispose of the shell holder in accordance with local regulations for plastic and metal products.
- Do not dispose of the shell holder in regular household waste if it is damaged or broken. Follow your local hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's website or contact their customer service directly. Ensure you have your product details ready for reference.

Thank you for your attention to these safety instructions. Your safety is our priority.
