Safety Instruction Guide for LEE Precision Universal Shell Holder R25

Introduction

Thank you for choosing the LEE Precision Universal Shell Holder R25. This product is designed for use in most brands of reloading presses. Please read and follow all safety instructions to ensure a safe and effective reloading experience.

General Safety Guidelines

- Always use the shell holder as intended and according to the manufacturer's instructions.
- Keep the shell holder and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the shell holder for signs of wear or damage before each use.
- Ensure your workspace is clean, welllit, and free of distractions while reloading.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- This shell holder is not compatible with Lee Auto Prime. Do not attempt to use it with this product.
- Ensure that the cartridge you are using is compatible with the shell holder. This model accommodates the following cartridges:
 - 338 Norma Mag
 - 338 Lapua Mag
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading.
- Avoid overtightening the shell holder, as this may cause damage to the holder or the press.
- Follow all manufacturer guidelines for your reloading press to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged (if applicable).
- Locate the shell holder slot on your reloading press.
- Insert the shell holder into the slot, ensuring it is seated securely.
- Confirm that the shell holder is properly aligned with the press mechanism.

2. Usage:

- Place the appropriate cartridge into the shell holder.
- Follow the reloading press instructions for the specific reloading operation you are performing.
- Monitor the reloading process closely to ensure everything is functioning correctly.
- After use, remove the shell holder and store it in a safe place.

Disposal Instructions

- When disposing of the shell holder, follow local regulations for the disposal of metal products.
- Do not dispose of the shell holder in regular household waste if it is damaged or broken.
- Consider recycling the shell holder if possible.

Contact Information for Further Support

For any questions or concerns regarding the LEE Precision Universal Shell Holder R25, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety in your reloading activities.
