

INLINE BULLET FEED KIT - LEE PRECISION INLINE BULLET FEED KIT 35CAL

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Deluxe Auto-Drum Powder Measure with new red anodized swivel adapter that provides a larger gripping area for adjusting into your press and raises the powder measure to clear the tallest dies and eliminates the need for the riser. All steel construction featuring a ball bearing escapement mechanism. Spring loaded positive ball carrier return assures reliable operation. Jacketed, cast, powder coated, and copper plated bullets are reliably fed. Configurable for long and short bullet lengths. Includes support tab for the optional multi tube feed magazine. Works in any press with standard 7/8-14 threads. Each die is caliber specific so there is nothing to change or adjust. Easy adjustment, place a case in your press and screw the Inline die in until it drops a bullet plus a half a turn, and that's it. Extra gatling style magazines, works great to have another magazine ready to load. Specifications: Inline Bullet Feed Kit 35CAL. For use with 380 Auto, 9mm Luger to 357 Mag, bullet diameter range .312 to .360. Inline Bullet Feed Kit 22 CAL. For use with 22 Hornet to 222 Rem Mag. Bullet diameter range .220 to .225. Inline Bullet Feed Kit 45 CAL. For use with 45 ACP to 45 Colt, bullet diameter range .435 to .460. Inline Bullet Feed Kit 30CAL. For use with 30 M1 to 30/06, bullet diameter range .250 to .320. Inline Bullet Feed Kit 26CAL. Works with 6.5 Creedmoor and similar, bullet diameter .250 to .277. Inline Bullet Feed Kit 24 CAL. Works with 6mm and 243 Winchester, bullet diameter .238 to .245. Inline Bullet Feed Kit 40 CAL. For use with 40 S&W, bullet diameter range .375 to .406. Inline Bullet Feed Kit 44 CAL. For use with 44 Magnum and 44 Special, bullet diameter range .425 to .435.

INLINE BULLET FEED KIT Safety Instruction Guide

Introduction

Thank you for choosing the INLINE BULLET FEED KIT by LEE PRECISION. This guide provides essential safety instructions and guidelines for the safe use of the product. Please read and understand these instructions thoroughly before using the product to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always wear appropriate safety gear, including safety glasses and gloves, when using this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or abnormal operation, stop using the product immediately and consult a qualified technician.
- Familiarize yourself with the local regulations and safety standards related to reloading equipment.

Specific Safety Precautions for Use

- Only use the INLINE BULLET FEED KIT with compatible calibers as specified in the product description.
- Ensure that the press you are using is compatible with the INLINE BULLET FEED KIT, specifically with standard 7/814 threads.
- Do not overload the powder measure; adhere to the recommended load limits.
- Avoid using damaged or improperly sized bullets to prevent jams or accidents.
- Always doublecheck the bullet length and diameter before loading to ensure proper feeding.
- Never attempt to modify or alter the product in any way.

Instructions for Installation and Usage

1. Installation:

- Begin by ensuring that your reloading press is clean and free of debris.
- Attach the INLINE BULLET FEED KIT to your press by screwing it into the 7/814 threads until secure.
- Adjust the height of the powder measure using the red anodized swivel adapter to ensure it clears the tallest dies.

2. Setup:

- Place a case in your press.
- Screw the Inline die in until it drops a bullet, plus an additional half turn for proper adjustment.
- Test the setup with a few bullets to ensure proper feeding.

3. Operation:

- Load the appropriate bullets into the feed mechanism.
- Operate the press according to the manufacturer's instructions while monitoring for any issues.
- Use extra gatling style magazines for efficient reloading.

4. PostUse:

- After use, clean the product to remove any powder residue or debris.
- Store the INLINE BULLET FEED KIT in a dry, secure location away from children.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the INLINE BULLET FEED KIT. Always prioritize safety and consult a professional if you have any questions or concerns regarding the use of this product.
