

INLINE BULLET FEED KIT - LEE PRECISION INLINE BULLET FEED KIT 22CAL

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Deluxe Auto-Drum Powder Measure with new red anodized swivel adapter that provides a larger gripping area for adjusting into your press and raises the powder measure to clear the tallest dies and eliminates the need for the riser. All steel construction featuring a ball bearing escapement mechanism. Spring loaded positive ball carrier return assures reliable operation. Jacketed, cast, powder coated, and copper plated bullets are reliably fed. Configurable for long and short bullet lengths. Includes support tab for the optional multi tube feed magazine. Works in any press with standard 7/8-14 threads. Each die is caliber specific so there is nothing to change or adjust. Easy adjustment, place a case in your press and screw the Inline die in until it drops a bullet plus a half a turn, and that's it. Extra gatling style magazines, works great to have another magazine ready to load. Specifications: Inline Bullet Feed Kit 35CAL. For use with 380 Auto, 9mm Luger to 357 Mag, bullet diameter range .312 to .360. Inline Bullet Feed Kit 22 CAL. For use with 22 Hornet to 222 Rem Mag. Bullet diameter range .220 to .225. Inline Bullet Feed Kit 45 CAL. For use with 45 ACP to 45 Colt, bullet diameter range .435 to .460. Inline Bullet Feed Kit 30CAL. For use with 30 M1 to 30/06, bullet diameter range .250 to .320. INLINE BULLET FEED KIT Safety Instructions

Introduction

Thank you for choosing the INLINE BULLET FEED KIT by LEE PRECISION. This product is designed to enhance your reloading experience by providing a reliable and efficient way to feed bullets into your press. To ensure safe and proper use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Keep this product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not modify or alter the product in any way, as this may compromise safety.
- In case of an emergency or accident, stop using the product immediately and seek assistance if needed.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The product involves the handling of ammunition components, which can pose risks if not used properly.
 - Ensure that you are familiar with the reloading process and safety protocols.
- **Avoiding Hazards:**
 - Always work in a wellventilated area to minimize exposure to dust or fumes.
 - Keep your work area clean and organized to prevent accidents.
 - Never use the product while under the influence of drugs or alcohol.
 - Follow all local laws and regulations regarding ammunition reloading and handling.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Attach the INLINE BULLET FEED KIT to your press by screwing it into the standard 7/814 threads.
- Adjust the Inline die by placing a case in your press and screwing the die in until it drops a bullet, then turn an additional half turn.

2. Usage:

- Load bullets into the provided magazines as per the instructions.
- Ensure that the magazine is properly seated and secured in the feed kit.
- Operate the press according to the manufacturer's instructions, ensuring that the Inline Bullet Feed Kit is functioning correctly.
- Regularly check for any obstructions or malfunctions during operation.

Disposal Instructions

- Dispose of all packaging materials responsibly, following local recycling guidelines.
- If the product becomes damaged beyond repair, dispose of it in accordance with local hazardous waste regulations.
- Do not throw the product in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use of the INLINE BULLET FEED KIT, please consult the manufacturer's website or customer service for assistance.

Remember to stay informed about product recalls and safety updates by checking the EU's Safety Gate platform regularly. Your safety is our priority, and we appreciate your commitment to safe reloading practices.

Thank you for choosing LEE PRECISION products. Happy reloading!
