

# INLINE BULLET FEED KIT - LEE PRECISION INLINE BULLET FEED KIT 30CAL

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Deluxe Auto-Drum Powder Measure with new red anodized swivel adapter that provides a larger gripping area for adjusting into your press and raises the powder measure to clear the tallest dies and eliminates the need for the riser. All steel construction featuring a ball bearing escapement mechanism. Spring loaded positive ball carrier return assures reliable operation. Jacketed, cast, powder coated, and copper plated bullets are reliably fed. Configurable for long and short bullet lengths. Includes support tab for the optional multi tube feed magazine. Works in any press with standard 7/8-14 threads. Each die is caliber specific so there is nothing to change or adjust. Easy adjustment, place a case in your press and screw the Inline die in until it drops a bullet plus a half a turn, and that's it. Extra gatling style magazines, works great to have another magazine ready to load. Specifications: Inline Bullet Feed Kit 35CAL. For use with 380 Auto, 9mm Luger to 357 Mag, bullet diameter range .312 to .360. Inline Bullet Feed Kit 22 CAL. For use with 22 Hornet to 222 Rem Mag. Bullet diameter range .220 to .225. # INLINE BULLET FEED KIT Safety Instruction Guide

## Introduction

Thank you for choosing the INLINE BULLET FEED KIT by LEE PRECISION. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the safe handling and operation of reloading equipment.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using this product.
- Keep the product out of reach of children and unauthorized persons.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Store the product in a dry and secure location when not in use.
- Be aware of your surroundings and ensure that the work area is clear of distractions and hazards.

## Specific Safety Precautions for Use

- **Cartridge Safety:** Only use the INLINE BULLET FEED KIT with compatible cartridges as specified in the product description.
- **Bullet Handling:** Handle bullets with care to avoid injury. Always ensure that the bullets are properly seated in the feed mechanism.
- **Press Compatibility:** Ensure that your reloading press is compatible with the INLINE BULLET FEED KIT (7/814 threads).
- **Adjustment Caution:** When adjusting the die, do not overtighten. Follow the adjustment instructions carefully to avoid damaging the equipment.
- **Powder Measure:** Ensure that the powder measure is correctly calibrated before use to prevent overloading or underloading cartridges.
- **Ventilation:** Use the product in a wellventilated area to avoid inhaling any potentially harmful dust or fumes.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is clean and free of debris.
- Attach the INLINE BULLET FEED KIT to the press using the standard 7/814 threads.
- Adjust the height of the powder measure using the red anodized swivel adapter for optimal clearance.
- Securely fasten the die in place.

### 2. Usage:

- Place a case in your press.
- Slowly screw the INLINE die in until it drops a bullet. Turn an additional half a turn to complete the adjustment.
- Load the bullets into the feed mechanism, ensuring they are properly aligned.
- Operate the press according to the manufacturer's instructions for safe reloading practices.
- Monitor the operation closely for any irregularities.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods for reloading equipment and materials.
- Recycle materials where applicable to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the documentation provided with your product or visit the manufacturer's website for additional resources.

This safety instruction guide is designed to help you use the INLINE BULLET FEED KIT safely and effectively. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention, and happy reloading!
