

# INLINE BULLET FEED KIT - LEE PRECISION INLINE BULLET FEED KIT 40CAL

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Deluxe Auto-Drum Powder Measure with new red anodized swivel adapter that provides a larger gripping area for adjusting into your press and raises the powder measure to clear the tallest dies and eliminates the need for the riser. All steel construction featuring a ball bearing escapement mechanism. Spring loaded positive ball carrier return assures reliable operation. Jacketed, cast, powder coated, and copper plated bullets are reliably fed. Configurable for long and short bullet lengths. Includes support tab for the optional multi tube feed magazine. Works in any press with standard 7/8-14 threads. Each die is caliber specific so there is nothing to change or adjust. Easy adjustment, place a case in your press and screw the Inline die in until it drops a bullet plus a half a turn, and that's it. Extra gatling style magazines, works great to have another magazine ready to load. Specifications: Inline Bullet Feed Kit 35CAL. For use with 380 Auto, 9mm Luger to 357 Mag, bullet diameter range .312 to .360. Inline Bullet Feed Kit 22 CAL. For use with 22 Hornet to 222 Rem Mag. Bullet diameter range .220 to .225. Inline Bullet Feed Kit 45 CAL. For use with 45 ACP to 45 Colt, bullet diameter range .435 to .460. Inline Bullet Feed Kit 30CAL. For use with 30 M1 to 30/06, bullet diameter range .250 to .320. # INLINE BULLET FEED KIT Safety Instruction Guide

## Introduction

Thank you for choosing the INLINE BULLET FEED KIT by LEE PRECISION. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this guide carefully before use, and keep it for future reference.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always operate the INLINE BULLET FEED KIT in a wellventilated area to avoid inhalation of any dust or particles.
- Keep the product out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye protection, when using the product.
- Regularly inspect the equipment for any signs of wear or damage before use.
- Do not modify or attempt to repair the product without consulting the manufacturer.

## Specific Safety Precautions for Use

- Always ensure that the press is securely mounted and stable before operating the INLINE BULLET FEED KIT.
- Avoid placing hands or fingers near moving parts during operation.
- Do not overload the product beyond its specified capacity to prevent malfunctions.
- Use only compatible bullets as specified in the product specifications to ensure safe operation.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.
- If you experience any issues or malfunctions, stop using the product immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is clean and free from debris.
- Screw the INLINE BULLET FEED KIT die into your press using standard 7/814 threads.
- Adjust the die by placing a case in your press and screwing the Inline die in until it drops a bullet plus a half a turn.
- If using the optional multitube feed magazine, attach the support tab as per the product instructions.

### 2. Usage:

- Load the appropriate bullets into the INLINE BULLET FEED KIT based on the caliber you are using.
- Operate the press according to the manufacturer's instructions, ensuring that the bullet feed mechanism is functioning correctly.
- Monitor the operation closely to ensure that bullets are being fed reliably without jams or misfeeds.
- After use, clean the product and store it in a dry place to prevent corrosion or damage.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal facilities.
- Ensure that all materials are disposed of in a manner that prevents environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the INLINE BULLET FEED KIT, please reach out to the manufacturer's customer service or consult the product's official website for further assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your INLINE BULLET FEED KIT. Please remember to stay informed about safety recalls and updates through the EU's Safety Gate platform. Your safety is our priority.
