

# COLLET NECK SIZER DIES - LEE PRECISION 6MM CREEDMOOR COLLET NECK SIZING DIE ONLY

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies.

## Attributes

- Name: [LEE PRECISION 6MM CREEDMOOR COLLET NECK SIZING DIE ONLY](#)

# Safety Instruction Guide for Lee Precision 6mm Creedmoor Collet Neck Sizer Die

## Introduction

Thank you for choosing the Lee Precision 6mm Creedmoor Collet Neck Sizer Die. This product is designed to enhance the accuracy of your ammunition by providing a precise neck sizing solution. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with all components of the collet neck sizer die before use.
- Always read the manufacturer's instructions and safety guidelines provided with the product.
- Keep the die and all related equipment out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before and after use.
- Store the die in a dry, safe place to prevent damage and maintain its functionality.
- Be aware of your surroundings while using the die to avoid accidents or injuries.

## Specific Safety Precautions for Use

- Use only the recommended 6mm Creedmoor cases with this die to ensure optimal performance.
- Do not attempt to modify or disassemble the die, as this may lead to malfunctions or unsafe conditions.
- Always wear appropriate safety gear, including safety glasses, when operating the die.
- Ensure that the work area is clean and organized to prevent accidents.
- Avoid distractions while using the die to maintain focus and precision.
- Follow all local regulations regarding the handling and use of ammunition components.

## Instructions for Installation and Usage

### 1. Installation:

- Secure the collet neck sizer die in the reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during operation.

### 2. Preparation:

- Inspect the cases to ensure they are clean and free from defects before sizing.
- Lubrication is not required for this die, which helps prolong case life.

### 3. Sizing Process:

- Insert the case into the die, ensuring it is positioned correctly.
- Operate the reloading press to engage the collet, which will size the neck of the case against the precision mandrel.
- Carefully remove the sized case from the die.

### 4. PostUsage:

- Inspect the sized cases for quality and consistency.
- Store the die and cases in a safe location when not in use.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Instead, check with local recycling programs for proper disposal methods.
- Ensure that all materials used during the reloading process are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the Lee Precision 6mm Creedmoor Collet Neck Sizer Die, please refer to the manufacturer's contact information provided with the product. For safety inquiries or to report unsafe products, consult the EU's Safety Gate platform for guidance.

By following these safety instructions, you can ensure a safe and effective reloading experience with the Lee Precision 6mm Creedmoor Collet Neck Sizer Die. Thank you for your attention to safety, and happy reloading!
