# **PACESETTER RIFLE THREEDIE SETS LEE PRECISION 6MM ARC Safety Instruction Guide**

## **Introduction**

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This guide is designed to ensure the safe use and handling of your reloading equipment. Please read this document carefully to understand the safety guidelines and proper usage instructions.

## **General Safety Guidelines**

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Keep the reloading area clean and free from distractions.
- Store all reloading components, including powder and primers, in a secure location away from children and unauthorized persons.
- Ensure proper ventilation in your reloading area to avoid inhalation of dust or fumes.
- Familiarize yourself with the specific reloading manual for the 6mm ARC cartridge to ensure proper load data and safety practices.
- Regularly inspect your equipment for any signs of wear or damage before each use.

## **Specific Safety Precautions for Use**

- **Hazard Identification:**
  - Reloading equipment can pose risks such as accidental discharge, exposure to hazardous materials, and potential for explosions if not handled properly.
- **Avoiding Hazards:**
  - Do not exceed the recommended powder charges specified in your reloading manual.
  - Never mix different types of powders or primers.
  - Use only the recommended components designed for the 6mm ARC cartridge.
- **Audience Specific Warnings:**
  - This product is not intended for use by individuals under the age of 18. Always supervise young individuals if they are present in the reloading area.

## **Instructions for Installation and Usage**

1. **Setup of the Die Set:**
  - Securely mount the reloading press to a stable workbench.
  - Install the Full Length Sizing Die in the press according to the manufacturer's instructions.
  - Adjust the die to ensure proper sizing of the cartridge cases.
2. **Reloading Process:**
  - Measure and pour the appropriate amount of powder using the included Powder Dipper.
  - Insert the bullet into the case mouth and use the Bullet Seating Die to seat the bullet to the specified depth.
  - Use the Factory Crimp Die to apply a crimp to the bullet, ensuring it is securely held in place.
3. **Final Inspection:**
  - Inspect each completed cartridge for proper assembly and functionality.
  - Store completed cartridges in a safe and organized manner.

## **Disposal Instructions**

- Dispose of any unused or excess reloading components in accordance with local regulations.
- Do not dispose of hazardous materials, such as primers and powders, in regular trash. Contact local

waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the contact information provided on the product packaging or documentation. It is essential to have access to support for any questions or concerns regarding the use of this product.

By following these guidelines, you can ensure a safe and effective reloading experience with your PACESETTER RIFLE THREEDIE SET. Always prioritize safety and consult relevant resources as needed.
