PACESETTER RIFLE THREEDIE SET SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This product is designed for reloading 6.8 mm Western cartridges. It is essential to understand the safety guidelines and instructions to ensure safe and effective use. Please read this manual carefully before using the product.

General Safety Guidelines

- Always wear safety glasses and appropriate protective gear when using reloading equipment.
- Keep the work area clean and organized to prevent accidents.
- Ensure that children and pets are kept away from the reloading area.
- Use only the specified components and tools for reloading.
- Follow all local laws and regulations regarding ammunition reloading.
- Regularly inspect your equipment for wear or damage before use.
- Do not consume food or beverages in the reloading area to avoid contamination.
- In case of any accidents, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Handle all components with care to avoid injury.
- Use the dies only with compatible reloading presses (7/8"14).
- Follow the provided load data and instructions precisely to avoid overloading cartridges.
- Ensure that the reloading press is securely mounted and stable before starting.
- Avoid distractions while reloading to maintain focus.
- Store all reloading materials and components out of reach of children.
- Dispose of any defective or unused materials safely and responsibly.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the die set from the packaging. Inspect all components for damage.
2. **Setup:**
 - Securely mount your reloading press on a stable workbench.
 - Attach the Full Length Sizing Die to the press according to the manufacturer's instructions.
 - Insert the Universal Shell Holder into the press.
3. **Reloading Process:**
 - Start by sizing the brass cases using the Full Length Sizing Die.
 - Next, use the Bullet Seating Die to seat the bullets to the desired depth.
 - Finally, apply the Factory Crimp Die to ensure a proper crimp on the cartridges.
4. **Powder Measurement:**
 - Use the Powder Dipper provided to measure the powder accurately according to your load data.
 - Always doublecheck your measurements before proceeding to load.
5. **Final Checks:**
 - Inspect each loaded cartridge for consistency and proper assembly before use.
 - Store loaded ammunition in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any unused or defective components in accordance with local regulations.
- Do not throw away ammunition or reloading components in regular trash. Check with local authorities for proper disposal methods.

- Ensure that all materials are safely stored until disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the PACESETTER RIFLE THREEDIE SET, please reach out to the designated EU contact point for safety inquiries.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your PACESETTER RIFLE THREEDIE SET. Always prioritize safety and adhere to all guidelines provided. Thank you for your attention to these important details.
