# **PACESETTER RIFLE THREEDIE SETS LEE PRECISION 2545 SHARPS**

## **Introduction**

Thank you for choosing the PACESETTER RIFLE THREEDIE SETS LEE PRECISION 2545 SHARPS. This product is designed for safe and effective reloading of ammunition. Please read this safety instruction guide carefully to ensure proper use and handling of the product.

## **General Safety Guidelines**

- Always handle all reloading equipment with care and respect.
- Ensure that you are familiar with the reloading process before use.
- Keep all products out of reach of children and unauthorized users.
- Use the product only for its intended purpose.
- Regularly check for any signs of wear or damage to the equipment.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety alerts via the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including safety glasses, when reloading.
- Work in a wellventilated area to avoid inhaling any dust or fumes.
- Do not overload the dies or exceed recommended loads.
- Ensure that all components are clean and free from obstructions before use.
- Do not leave the reloading process unattended.
- Follow all manufacturer instructions and load data provided with the product.

## **Instructions for Installation and Usage**

### **1. Installation of the Die Set:**

- Ensure that your reloading press is compatible with the 7/8"14 thread.
- Securely attach the Full Length Sizing Die to the press, following the manufacturer's instructions.
- Install the Bullet Seating Die in the same manner.
- Finally, attach the Factory Crimp Die to complete the setup.

### **2. Using the Die Set:**

- Prepare your brass cases by cleaning them thoroughly.
- Insert the brass case into the Full Length Sizing Die and apply the appropriate pressure to resize.
- Remove the resized case and proceed to the Bullet Seating Die for seating the bullet.
- Finally, use the Factory Crimp Die to ensure proper crimping of the bullet in the case.
- Refer to the load data provided for specific measurements and load recommendations.

### **3. PostUse Maintenance:**

- Clean the dies after each use to prevent corrosion and ensure longevity.
- Store the dies in a dry, safe place away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the PACESETTER RIFLE THREEDIE SETS LEE PRECISION 2545 SHARPS, please refer to the contact information provided in the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority, and we wish you a successful reloading experience.
