PACESETTER RIFLE THREEDIE SETS LEE PRECISION 6.5 WEATHERBY RPM

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SETS from LEE PRECISION. This product is designed for reloading ammunition safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle all reloading equipment with care.
- Ensure you are familiar with the reloading process before using this product.
- Keep this product out of reach of children and unauthorized users.
- Use the product only for its intended purpose.
- Regularly check for wear and tear on your reloading equipment.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear safety glasses when reloading to protect your eyes.
- Operate the reloading press in a wellventilated area to avoid inhalation of dust or fumes.
- Do not attempt to modify any part of the die set.
- Ensure that the reloading press is securely mounted to a stable surface.
- Use only the recommended components and materials for reloading.
- Avoid distractions while reloading to maintain focus and accuracy.
- Store all reloading materials in a cool, dry place, away from heat sources.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Begin by securely mounting your reloading press to a stable work surface.
- Install the Full Length Sizing Die into the press following the manufacturer's instructions.
- Next, install the Bullet Seating Die and then the Factory Crimp Die.
- Ensure that all dies are tightened properly to prevent movement during operation.

2. Using the Die Set:

- Prepare your brass cases by cleaning and inspecting them for defects.
- Use the Full Length Sizing Die to resize the brass cases. Follow the instructions included with the die for proper adjustment.
- Charge your cases with the appropriate amount of powder using the Powder Dipper provided.
- Seat the bullets using the Bullet Seating Die, ensuring they are seated to the correct depth.
- Finally, use the Factory Crimp Die to crimp the bullets securely into the cases.

3. PostUsage:

- After reloading, clean the dies and press to remove any residue.
- Store the die set and all components in a safe and dry location.

Disposal Instructions

- Dispose of all used components, including empty brass cases and packaging materials, in accordance with local regulations.
- Do not dispose of any hazardous materials in regular trash. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the PACESETTER RIFLE THREEDIE SETS, please refer to the manufacturer's contact information provided in the product packaging or manual.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you have a successful and enjoyable reloading experience with the PACESETTER RIFLE THREEDIE SETS.
