PACESETTER RIFLE THREEDIE SETS LEE PRECISION .3030 WINCHESTER ACKLEY IMP. PACESETTER FL SIZING 3DIE SET Safety Instructions

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET from LEE PRECISION. This product is designed to help you reload ammunition safely and effectively. Please read these safety instructions carefully to ensure proper handling and use of the reloading dies.

General Safety Guidelines

- Always treat every reloading die as if it is loaded.
- Keep the reloading area clean and organized to avoid accidents.
- Use the product only for its intended purpose.
- Store the dies in a secure location, out of reach of children and unauthorized users.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when reloading.
- Ensure proper ventilation in your reloading area to avoid inhalation of any dust or fumes.
- Report any unsafe products or accidents to local authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of reloading dies can lead to serious injury or property damage.
 - Always check for damage or wear on dies before use.
- **Avoiding Hazards:**
 - Do not exceed the recommended load data provided with the product.
 - Ensure that all components used in the reloading process are compatible with the .3030 Winchester cartridge.
 - Follow the instructions carefully to avoid misfires or other dangerous situations.
- **AudienceSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18. Ensure that only responsible adults handle the reloading process.

Instructions for Installation and Usage

1. Setup:

- Ensure that your reloading press is securely mounted and stable.
- Gather all necessary components: Full Length Sizing Die, Bullet Seating Die, Factory Crimp Die, Universal Shell Holder, Powder Dipper, and Instructions/Load Data.

2. Installation:

- Install the Full Length Sizing Die into your reloading press as per the press manufacturer's instructions.
- Insert the Universal Shell Holder into the press to hold the cartridge case securely.
- Install the Bullet Seating Die and Factory Crimp Die following the same procedure.

3. **Usage:**

- Refer to the load data provided with the product to determine the correct amount of powder for your reloads.
- Carefully measure and pour the powder using the Powder Dipper.
- Insert the bullet into the cartridge case and use the Bullet Seating Die to seat the bullet to the correct depth.
- Use the Factory Crimp Die to apply a crimp to the cartridge, ensuring it is secure.
- Inspect the completed cartridges for any irregularities before use.

4. **PostUsage:**

- Clean the dies and store them in a safe place after use.
- Dispose of any waste materials according to local regulations.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of any reloading components or materials in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries or further assistance, please refer to the product packaging or visit the manufacturer's website. Ensure that you have the product details available for effective support.

Thank you for prioritizing safety while using the PACESETTER RIFLE THREEDIE SET. Your careful handling and adherence to these instructions will contribute to a safe and enjoyable reloading experience.
