PACESETTER RIFLE THREEDIE SETS LEE PRECISION .300 SAVAGE

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SETS LEE PRECISION .300 SAVAGE. This comprehensive guide provides essential safety instructions to ensure the safe and effective use of your reloading equipment. Please read this guide carefully before using the product.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading equipment and materials.
- Keep the reloading area clean and organized to prevent accidents.
- Ensure that all tools and equipment are in good working condition before use.
- Store all components, including powders and primers, in a cool, dry place away from direct sunlight and heat sources.
- Keep all reloading materials out of reach of children and unauthorized users.
- Be aware of local laws and regulations regarding reloading and the use of ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Handling of gunpowder and primers can pose fire and explosion hazards.
 - Improperly sized cartridges can lead to firearm malfunction or injury.
- **Avoiding Hazards:**
 - Always doublecheck measurements and settings before proceeding with reloading.
 - Do not exceed recommended powder charges and follow load data precisely.
 - Never use damaged or worn components; replace them immediately.
 - Ensure that the reloading press is securely mounted to prevent movement during operation.
- **Age Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18. Ensure that all users are of legal age and have received proper training.

Instructions for Installation and Usage

1. **Setup:**
 - Securely mount the reloading press to a stable work surface.
 - Ensure that the workspace is welllit and free of distractions.
2. **Die Installation:**
 - Install the Full Length Sizing Die into the press according to the manufacturer's instructions.
 - Follow with the installation of the Bullet Seating Die and then the Factory Crimp Die.
3. **Reloading Process:**
 - Use the Universal Shell Holder to securely hold the cartridge case during resizing.
 - Measure and adjust the die settings as per the load data provided in the instructions.
 - Carefully add the appropriate amount of powder using the Powder Dipper.
 - Seat the bullet using the Bullet Seating Die, ensuring proper depth.
 - Apply the Factory Crimp Die to secure the bullet in place.
4. **Final Inspection:**
 - Inspect each cartridge for proper sizing, bullet seating, and crimping before use.
 - Store completed cartridges in a safe and organized manner.

Disposal Instructions

- Dispose of any unused or excess reloading materials in accordance with local regulations.
- Do not throw away hazardous materials in regular trash; consult local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please refer to the EU contact point for assistance.

Thank you for prioritizing safety while enjoying your reloading experience with the PACESETTER RIFLE THREEDIE SETS LEE PRECISION .300 SAVAGE. Always reload responsibly and stay informed about safety practices.
