# **PACESETTER RIFLE THREEDIE SETS LEE PRECISION .400 LEGEND Safety Instructions**

## **Introduction**

Thank you for choosing the PACESETTER RIFLE THREEDIE SETS by LEE PRECISION. This product is designed for reloading ammunition safely and efficiently. Please read this safety instruction guide carefully to ensure safe and proper use of the die set.

## **General Safety Guidelines**

- Always handle reloading tools and components with care to prevent accidents.
- Ensure that your work area is clean, organized, and free from distractions.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using this product.
- Keep the reloading area out of reach of children and pets.
- Store all reloading components in a secure location to prevent unauthorized access.
- Familiarize yourself with the specific features and functions of your reloading press and dies before use.
- Follow all local laws and regulations regarding ammunition reloading and storage.

## **Specific Safety Precautions for Use**

- Inspect all components of the die set before use. Do not use any die that appears damaged or worn.
- Ensure that the reloading press is securely mounted and stable during operation.
- Always use the correct caliber and type of components specified for the .400 Legend cartridge.
- Never exceed recommended powder charges as specified in load data.
- Avoid using any materials or components that are not specifically designed for this die set.
- Do not leave the reloading press unattended while in operation.
- In case of a malfunction or unexpected behavior, stop using the die set immediately and seek assistance.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Securely attach the Full Length Sizing Die to your reloading press using the provided instructions.
- Install the Bullet Seating Die and the Factory Crimp Die in the same manner.
- Ensure that all dies are tightened and properly aligned before starting the reloading process.

### **2. Usage:**

- Follow the instructions provided in the load data for the .400 Legend cartridge.
- Begin by resizing the brass cases using the Full Length Sizing Die.
- Proceed to seat the bullets using the Bullet Seating Die, ensuring proper depth as specified in the load data.
- Finally, apply a factory crimp using the Factory Crimp Die to secure the bullet in place.

### **3. Cleaning and Maintenance:**

- After use, clean the dies with a soft cloth to remove any residue.
- Store the die set in a dry, cool place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Do not throw away reloading components in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your PACESETTER RIFLE THREEDIE SETS, please refer to the manufacturer's website or contact their customer support team. Always ensure that you have the product details available when seeking assistance.

Thank you for adhering to these safety guidelines. Your safety is our priority. Enjoy your reloading experience!
