PACESETTER RIFLE THREEDIE SETS LEE PRECISION .280 ACKLEY IMPROVED

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SETS LEE PRECISION .280 ACKLEY IMPROVED. This product is designed to assist you in your reloading needs while ensuring safety and efficiency. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

General Safety Guidelines

- Always handle all reloading equipment with care and respect.
- Ensure that you are in a wellventilated area when using this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the dies and other components for wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from improper handling of reloading equipment.
 - Risk of explosion if reloading components are not used in accordance with safety guidelines.
- **Avoiding Hazards:**
 - Always wear safety goggles and gloves when reloading.
 - Do not exceed the recommended load data provided with the product.
 - Never use damaged or worn components; replace them immediately.
 - Ensure that your workspace is clear of distractions and clutter.
 - Store all reloading components in a cool, dry place away from direct sunlight.

Instructions for Installation and Usage

1. Setup:

- Ensure your reloading press is securely mounted according to the manufacturer's instructions.
- Attach the Full Length Sizing Die to the reloading press using the provided Universal Shell Holder.

2. Using the Dies:

- **Full Length Sizing Die:**
 - Insert the case into the shell holder and raise the ram to size the case.
 - Follow the instructions provided for adjusting the die to ensure proper sizing.
- **Bullet Seating Die:**
 - Set the die to the desired bullet seating depth as per your load data.
 - Insert the bullet into the case and raise the ram to seat the bullet.
- **Factory Crimp Die:**
 - Adjust the die to apply a crimp to the bullet as necessary for your load.
 - Raise the ram to complete the crimping process.

3. Cleaning and Maintenance:

- After use, clean all dies and components with a soft cloth to remove any debris or residue.

- Store the dies in a safe and dry location to prevent rust or damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Ensure that all reloading materials are disposed of safely and responsibly to prevent environmental harm.

Contact Information for Further Support

For any questions or further support regarding the PACESETTER RIFLE THREEDIE SETS LEE PRECISION .280 ACKLEY IMPROVED, please refer to the manufacturer's contact details provided in the product manual or packaging.

Thank you for your attention to these safety instructions. Proper use and care of your reloading equipment will enhance your experience and ensure your safety.
