Safety Instruction Guide for PACESETTER RIFLE THREEDIE SETS LEE PRECISION .277 SIG FURY

Introduction

Thank you for purchasing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This product is designed for reloading the .277 Sig Fury cartridge. Proper use and handling are essential for ensuring safety and achieving optimal performance. This guide provides important safety instructions and guidelines to help you use this product safely and effectively.

General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that all components are in good condition and free from damage before use.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose as specified in this guide.
- Wear appropriate safety gear, including safety glasses and gloves, while using the product.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Regularly check for recalls on the EU Safety Gate platform and report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Handle all reloading components, including powders and primers, with care to prevent accidental ignition.
- Do not exceed recommended load data or use incompatible components.
- Maintain a clean and organized workspace to reduce the risk of accidents.
- Be aware of your surroundings and ensure that no unauthorized persons are nearby when reloading.
- Follow all local laws and regulations regarding the use and storage of reloading materials.

Instructions for Installation and Usage

1. Unpacking the Set:

- Carefully remove all components from the packaging.
- Inspect each component for any signs of damage or defects.

2. Setting Up the Reloading Press:

- Securely mount your reloading press on a stable work surface.
- Ensure that the press is properly calibrated according to the manufacturer's instructions.

3. Installing the Dies:

- Install the Full Length Sizing Die into the reloading press.
- Follow the instructions provided in the product manual for proper die installation.
- Install the Bullet Seating Die and Factory Crimp Die in the same manner.

4. Using the Powder Dipper:

- Use the included Powder Dipper to measure the appropriate amount of powder.
- Always doublecheck measurements before adding powder to cases.

5. Seating Bullets:

- Place a bullet into the case mouth before using the Bullet Seating Die.
- Adjust the die as necessary to achieve the desired bullet seating depth.

6. Crimping:

- After seating the bullet, use the Factory Crimp Die to apply a crimp to the case.
- Ensure the crimp is applied evenly and securely.

7. Final Inspection:

- Inspect each completed cartridge for proper assembly and safety.
- Ensure that no debris or foreign objects are present in the cartridge.

Disposal Instructions

- Dispose of any unused or expired reloading materials according to local regulations.
- Do not dispose of hazardous materials in regular trash; follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the use of the PACESETTER RIFLE THREEDIE SET, please refer to the manufacturer's contact information provided in the product packaging or manual. Additionally, you can check the EU Safety Gate platform for updates and safety alerts related to this product.

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. Your safety is our priority, and we hope you enjoy using your new reloading equipment responsibly.
